State of North Car. In Superior court before the Clerk.

Order of publication and notice to non resident defendants:

J. R. Martin, Sarah Alice Priddy and her husband G. Wilson Priddy, plaintiffs, vs. Geo. F. Martin and Jno T M rtin, def'ts.

In the above entitled cause it appearing to the Court upon affidavit filed herein that the defendant George F. Martin is a non resident of the State of North Carolina and after due diligence cannot be found therein and cannot be personally served with process and is a necessary party to this action or Special Proceeding, the same being a Special Proceeding or action for the sale of the lands of the late Elizabeth Martin, deceased for division among her heirs at law, who are the tenants in common now owning the same, the said land containing about 50 acres and lies in one tract, adjoining the lands of B. F. Priddy, Alexander Rogers, Jno. R. Rhodes, Henderson Priddy, G. M. Joyce and others. It is therefore ordered by the Court that publication of notice be made for four successive weeks in the Danbury Reporter, a newspaper published in the town of Danbury, Stokes County, N. C., notifying the defendant George F. Martin, that an action or Special Proceeding as above entitled has been instituted against him in the Superior Court of Stokes County, N. C., for the purpose of selling the lands of plaintiffs and defendants, for partition or division of proceeds, which are now held in common by them, the said lands having descended to them from Elizabeth Martin, deceased, and the said lands are adjoining the lands of B. F. Priddy, Alexander Rogers, Jno. R. Rhodes, Henderson Priddy, G. M. Joyce and others, and requiring the said George F. Martin to appear at the office of the Clerk of the Court of Stokes County, N. LOOK OUT FOR IMITATIONS

With Tags About the Same Color and Design As

The quality of the genuine sun cured tobacco used in REYNOLDS' Sun Cured and grown on soil where the best sun cured tobacco grows, has caused imitation brands to be brought out and offered as the genuine Reynolds' Sun Cured to unsuspecting dealers and chewers who do not look closely at the printing on the box and on the tag.

These brands only imitate the outward appearance and do not possess the genuine inside quality that has been found in Reynolds' Sun Cured ever since Reynolds' Sun Cured was introduced and which has so increased the chewing of sun cured tobacco and proven so popular, that the word "Sun Cured" is now printed on tags or in the advertising of many brands claimed to be genuine sun cured tobacco.

Did you ever see the word "Sun Cured" used in any chewing tobacco advertisement, or on any chewing tobacco tag or label, or in any other way, before it was introduced and used to identify the genuine Reynolds' Sun Cured? You see it frequently now, because many imitation brands are being made to appear as nearly like Reynolds' Sun Cured as they dare—with tag, shape of plug and style of package so similar that experienced buyers sometimes accept these imitations as the genuine Reynolds' Sun Cured.

Don't be deceived into taking imitation brands for the genuine. Be sure the letters on the tag spell "R-e-y-n-o-l-d-s' Sun Cured," and you get the best value in sun cured chewing tobacco that can be produced for chewers. Sold at 50c. per pound in 5c. cuts; strictly 10c. and 15c. plugs, with chewing qualities like that which was sold from 60c. to \$1.00 per pound before Reynolds' Sun Cured was offered to the trade.
