J. R. Martin, Sarah Alice Priddy and her husband G. Wilson Priddy, plaintiffs,

vs.
Geo. F. Martin and Jno T M rtin, def'ts.

In the above entitled cause it appearing to the Court upon affidavit filed herein that the defendant George F. Martin is a non resident of the State of North Carolina and after due diligence cannot be found therein and cannot be personally served with process and is a necessary party to this action or Special Proceeding, the same being a Special Proceeding or action for the sale of the lands of the late Elizabeth Martin, deceased for division among her heirs at law, who are the tenants in common now owning the same, the said land containing about 50 acres and lies in one tract, adjoining the lands of B. F. Priddy, Alexander Rogers, Jno. R. Rhodes, Henderson Priddy, G. M. Joyce and others. It is therefore ordered by the Court that publication of notice be made for four successive weeks in the Danbury Reporter, a newspaper published in the town of Danbury, Stokes County, N. C., for the purpose of selling the lands of plaintiffs and defendants, for partition or division of proceeds, which are now held in common by them, the said lands having descended to them from Elizabeth Martin, deceased, and the said lands are adjoining the lands of B. F. Priddy, Alexander Rogers, Jno. R. Rhodes, Henderson Priddy, G. M. Joyce and others, and requiring the said George F. Martin to appear at the office of the Clerk of the Court of Stokes County, N. Given under my hand and seal of said county on this the 19th day of December, 1906.

Clerk of the Superior Court.

THERE IS A REASON FOR CHEWING REYNOLDS' SUN CURED TOBACCO

Chewers becoming tired of heavily sweetened sun cured tobaccos caused REYNOLDS' SUN CURED to quickly win from the old brands of much longer standing the place as favorite with sun cured chewers, because it contains just enough proper sweetening and flavoring to preserve the quality of the leaf and enhance its goodness, causing a large increase in the demand for sun cured tobaccos.

REYNOLDS' SUN CURED

is not only pure sun cured, but it is made from choice selections of the genuine sun cured leaf grown where the best sun cured tobacco grows. It is like that you formerly got, costing from 60c. to \$1.00 per pound, and is sold at 50c. per pound in 5c. cuts; strictly 10c. plugs, and is the best value in sun cured tobacco that can be produced for chewers.
