THE DEATH OF MR. A. J. FLIPPIN.

Mr. Jas. A. Leake, Of Francisco, Pays A Last Tribute Of Respect To the Deceased.

Francisco, Jan. 12.

Mr. Editor: Having been called upon by the children of Mr. A. J. Flippin to write his obituary, I feel almost like shrinking from the task, knowing full well that I shall not be able to do justice to him whom I have known so long.

Mr. Flippin, together with his devoted companion, left this county on the 11th day of December, 1906, to visit their daughter, Mrs. Geo. W. Faris, whose home was Coweta, Indian Territory. They arrived there the 16th day of the above month. He being 75 years of age no doubt was broken down and worried out from such a long trip—so much that a physician was called to his assistance, who pronounced his disease heart trouble, as I understand, and I have no doubt that all that kind and loving hands could do was done for him, but on the 21st day of December the summons came and death claimed him as its victim and on the 23rd his body was consigned to the narrow limits of the tomb in the cemetery at Waggoner, Indian Territory, to await the final resurrection. And while it is sad to me to write this tribute, it affords me pleasure to state that I have been intimately acquainted with him for over fifty years, and that there was not a better man or a more honest citizen ever lived or died in Stokes county. He was a consistent member of the Presbyterian church and he honored the profession he had made by an orderly walk and Christian devotion to his church. He was a good husband, a good father, a good neighbor and a good and worthy citizen, and before laying this tribute down, I desire to say to the bereaved widow, children, relatives, neighbors and friends of the deceased that while the flowers that may bloom around his new made grave in that far and distant land, may fade and die, yet your own dear husband, father and friend that you loved so well, will live on and on in that happy home and will never die. So dry up your tears and cease to mourn for him; and my earnest prayer is that when you all are called to die that you may be prepared to meet him around that dazzling throne and all join with him in singing redeeming grace.

Why should our tears in sorrow flow
When God recalls his own
And bids them leave this world of woe
For an immortal crown.
Asleep in Jesus far from thee
Thy kindred and their graves may be
But there is still a blessed sleep
From which none ever wake to weep.

JAS. A. LEAKE.

Mr. Joseph Coleman was in town a short while Friday.

LETTER OF THANKS.

Miss Morefield Extends Thanks To Her Supporters In the Voting Contest.

Bonbay, N. C., Jan. 7, 1907.

Editors Danbury Reporter: Please allow me space in your paper to extend my most heartfelt thanks to you and my worthy supporters in the Voting Contest. Words seem inadequate to express my appreciation of the privilege thus gained of taking this grand trip to the Jamestown Exposition. I hope I may be able to show my appreciation in acts which shall be far from ever causing anyone to regret casting a vote in my behalf.

Will Build Roads In Surry County.

The Mount Airy Leader says: Mr. R. T. Joyce, who travels for the Mount Airy Furniture Company, is here with his family for the winter. He has the contract for building some county roads in the Slate Mountain section of the county and will supervise this work during his stay here. He is an expert road engineer, and several years ago built the road from Dobson to Kapps Mill, which is today the only piece of good road in Surry. The fact that Mr. Joyce is to have charge of this work is a guarantee that the work will be properly done and should give an impetus to road building in the county.

An effort is being made to get Alice Bowles, the crazy woman who is confined in jail here, into the State Hospital at Morganton.

Quite a lot of sickness is reported from almost every section. A great deal of it is probably due to the sudden changes in the weather.

Pastor D. H. Binkley occupied the pulpit at the M. E. church Sunday night. Mr. Binkley expects to preach here twice each month as soon as he can arrange his other work on the circuit.

Mr. Walter L. Smith, of Den River, moved with his family to Stuart, Va., last week. Mr. Smith was one of our county's best citizens and his leaving is a great loss to his community. He has purchased a one-third interest in the roller mill plant of Mr. R. W. George at Stuart.

A Winston-Salem man kept a daily record of the weather during 1906 and gives out the following figures: There were 115 clear days, 130 partly cloudy days, and 120 of these cloudy days it rained. The heaviest rain was on June 10, and one on the 21 of July was also something fierce. Old people declare they cannot remember when the rain fall was as heavy as during last year.
