Mr. G. W. Prim, of Winston, attended court here the past week.

Mr. W. M. Watts, one of the county's most substantial citizens, was here on business Friday.

Messrs. J. G. H. Mitchell and W. M. Flynt, of Gideon, were among the visitors here the past week.

Miss Lillie Leak, of Winston, reported the case of Martin vs. Falin in the Superior court here the past week.

Mr. J. M. Taylor, a popular warehouseman, of Stoneville, attended court here a day or two the past week.

Duputy Marshall Gaston A. Carroll, of Winston, spent a day or two here the past week looking after some business.

On account of the Confederate Veterans' Reunion, Richmond, Va., May 30 to June 2, the Southern Railway will sell round trip tickets from Greensboro to Richmond for \$4.05. Tickets on sale May 26th to June 2nd inclusive, with final limit June 11th.

State Superintendent Joyner says the examinations for five-year certificates for teachers will be held in all counties the second Thursday in July. He and the State board of examiners will prepare graded papers for these examinations.

Dr. D. C. Dicks, of the Dillard section, was a welcome visitor at the Reporter office one day the past week. Dr. Dicks is one of the best informed men the Reporter knows. A contribution from his pen occasionally would, no doubt, prove very interesting to the readers of the Reporter, and we expect to use our best efforts to that end.

Mr. E. P. Newsom, of King, was a visitor at the Reporter office Thursday. Mr. Newsom has just returned from the Jamestown Exposition, where he has been serving as a Powhatan guard for some weeks. He thinks people would do well not to visit the exposition before August or September as the exhibits, buildings, etc., will not be in place and finished before that time. Mr. Newsom will likely go back in September to spend some time.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
