When you pay your bills by check you have these advantages:

1. It is more business-like and gives others a more honorable impression of your business abilities and methods.
2. It often saves you money, as for instance when you pay a bill or debt by giving your check, the person who receives the check must put his name on the back of the check before he can get the money on it. This operates as a receipt in law. Every farmer or anybody who pays out money should always do so by check.

There are other banks larger than the Bank of Stokes County. But the statement of the Bank of Stokes will compare favorably with any bank in the state. Some banks with capital stocks of hundreds of thousands, and big surplus funds, also have liabilities reaching up into the hundreds of thousands. The safest bank is the bank having the largest clear assets in proportion to its liabilities.

DEATH OF MRS. JESSE BEASLEY.

Farmers Beginning To Plant Tobacco—Plants Not Doing Well—Some Other Items.

Big Creek, May 27.—The farmers in this section are beginning to plant tobacco but owing to the cool dry weather it's not doing very well. In all probability the crop will be at least one-third short if it is seasonable from now on.

Mr. and Mrs. H. F. Wright, of Mt. Airy, visited friends and relatives in this section and attended the Association at Big Creek.

Mr. Johnnie Frans has returned from Danbury, where he has been going to school.

Mr. J. H. Wright says the wild onions are about to take his plantation. He says he pulled up a lot the other day and several of them weighed a pound a piece.

I saw in the Reporter where "1861" come again in reply to Mr. Oliver, but doubtless he failed to convince Mr. Oliver that he was wrong. In my estimation, we need more such men as Brother Oliver, in both political parties. I mean by this men who put principles above party, who will make a bold stand for what is right and who will not follow wrong for party sake. Come again, Bro. Oliver, "truth crushed to earth will rise again."

It is with profound sorrow we chronicle the death of Mrs. Jesse Beasley, who died at her home the past week of the dreaded disease consumption. The deceased had been confined to her bed for some time, and the end was not a surprise to her many friends and relatives. She was 39 years of age, and was not a member of any church but professed her hope before she died and said she wanted to join the church and be baptized.

The funeral services were conducted by Revs. Barnard, Stone and Pyrtle, after which the remains were laid in the silent tomb to await the resurrection.

WONDERFUL ECZEMA CURE

"Our little boy had eczema for five years," writes N. A. Adams, Henrietta, Pa. "Two of our home doctors said the case was hopeless, his lungs being affected. We then employed other doctors but no benefit resulted. By chance we read about Electric Bitters; and bought a bottle and soon noticed improvement. We continued this medicine until several bottles were used, when our boy was completely cured." Best of all blood medicines and body building health tonics. Guaranteed at all druggists, 50c.

A Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for easy coughs, hard coughs, desperate coughs. If your doctor endorses it for your case, take it. If not, don't take it. Never go contrary to his advice.

Ayer's

We publish our formulae. We banish alcohol from our medicines. We urge you to consult your doctor.

The dose of Ayer's Pills is small, only one at bedtime. As a rule, laxative doses are better than cathartic doses. For constipation, biliousness, dyspepsia, sick-headaches, they cannot be excelled. Ask your doctor about this.
