ITEMS FROM STUART, VA.

Mrs. Walter Smith Will Sell Her Home In Stuart—Correspondent Wants the Stuart Dispensary Bill Defeated.

Stuart, Va., March 22.—Quite a deep snow fell Friday. It looked queer indeed to see snow on the ground and blossoms on the trees. Hope however that cold weather is over, for I think we have had our share for one winter.

Miss Bessie Leigh Gilbert returned from her school Thursday. Think she will go back to Boonville soon. Wonder if the merchant is very blue over her departure? Guess he will console himself by going to Roanoke for a while.

A large number of scholars are enrolled in Stuart High School. County teachers are coming in promptly after their schools close. It speaks well for the county and our little town too.

We hope the Dispensary Bill will be defeated; we have had a dry town for some time and hope it will continue so.

Mrs. Walter Smith will sell her home on Depot Hill and travel during the summer. Her many friends will be sorry to give her up. Hope she will return in the fall.

Miss Dora Foley has returned to Stuart.

Rev. Mr. Weston preached at New Hope Sunday a. m., and Wayside Sunday p. m. He is an able and interesting minister, and is well liked by all.

One of the most beneficial revivals we have had for some time was held at the Baptist church last week by Revs. Garland, of Richmond, and Haislip, of this place.

Mr. Wesley T. Morefield, of Campbell, N. C., was a guest in the community last week. Come again Wesley we are always glad to see you.

"L. L."

Mr. G. W. Hart, a merchant of Smith, was here Tuesday enroute to Winston with a lot of tobacco. One of Mr. Hart's wagons was turned over between the river and Danbury.

Flat Shoal News.

Flat Shoal, March 23.—The people in this section are getting along slow with their work on account of bad weather. Seems as winter has set in again. We had a large snow Friday as has fallen this winter.

Mr. and Mrs. W. Y. Gordon, of Germantown Route 1, visited their son S. F. Gordon, of Winston, Friday and Saturday. Returned home Sunday.

We expect to organize our Sunday School at Union Hill next Sunday the 29th, at 2 o'clock, and would be glad to meet all of our old Sunday School mates there. And hope we will have a good Sunday School this summer, as we are expecting Dr. J. W. Slate and Mr. Frank Hartgrove to join us. They are great Sunday School workers.

There will be a quilting given to the young people at Mr. H. C. Southern's next Saturday.

Messrs. Roy and Ross Newcome visited their mother Sunday, and she returned home with them.

Mrs. Mamie King, of Stoneville, spent a few days with her parents Mr. and Mrs. B. F. Pulliam, returning home Sunday.

Mr. Joe Darnell, who moved to Winston about a year ago, has moved back to his old home place near Haw Pond church. We are glad to see them come back. But it doesn't seem like the same family as their two oldest daughters have been taken away from them while they were away, but they are better off than we are. May God bless the rest of the family.

PRISCILLA.

Hon. B. S. Royster Announces His Candidacy For Congress in the Fifth District.

Oxford, N. C., March 18, 1908. To the Voters of the Fifth Congressional District:

I am a candidate for the nomination for Congress in this District, subject to the action of the coming Democratic Convention. Since attaining my majority, twenty two years ago, I have labored earnestly for the cause of the Democratic Party, and as to how well I have done my duty in this respect I refer you to the people of Granville and adjoining counties.

I do not claim, nor do I believe any man has the right to claim, this high honor upon the grounds of party service alone.

I believe every man who loves his State, who has a due regard for her best interests, and who has a reverence for the sacredness of home and for purity and protection of woman, should be proud of any work done for that party which has given to North Carolina the good government of which her people boast.

It should be the pride of every patriotic North Carolinian to do his best in such a cause.

I have no pet schemes in politics, nor have I any private or personal platform.

I believe in the principles of the Great Democratic Party which have made it so dear to the hearts of the people and which make for civic righteousness and equal rights.

The platform announced by the State and National Conventions, through the wise and patriotic leaders of the party shall be my guides.

I am simply a Democrat, with an abiding faith in my party and a fixed determination to serve my people. Their needs and demands shall be my watchwords.

I believe in that same standard of political integrity that honorable men observe in business transactions.

I most earnestly ask your support in the primaries and in the County and District Conventions.

Respectfully,

B. S. ROYSTER.

Mrs. Laura Stewart, of Pilot Mountain, came near losing her life one day last week. Her dress caught fire and was burned off before the flames could be extinguished. One of her hands was seriously burned, but she was otherwise unharmed. She had a close call.

Mr. Henry Kiser, of King Route 1, who is one of the county's most substantial citizens, was a visitor here yesterday. He was accompanied by his son.

DOINGS ON MADISON ROUTE 3.

Miss Berchie Dunlap and several others spent Saturday and Sunday with Misses Cora and Annie Young.

Miss Annie Young gave an apron party Saturday night. It was well attended by the youngsters and the bashful young men did some right nice sewing if they did stick the needle in their fingers a few times.

More plant beds have been burned than ever before in some time.

The Sunday school scholars at Mrs. Ruth Dalton's will probably have some exercises prepared for Easter.

Easter will soon be here. It is time to be hunting the eggs.

The Deposits of the Bank of Stokes County Reach \$85,000.00—Gained Another Ten Thousand in Ten Days.

The Bank of Stokes County has reached \$85,000 in deposits, having gained about ten thousand dollars in the past ten days. The Cashiers are now almost certain that the \$100,000 mark, for which they have been trying, will be reached some time during the present year, and if the present increase continues, will get there in a few days.

The growth of the bank during the past three months has been phenomenal. Let every person in Stokes county who has any money, whether a large amount or small amount, deposit it with the Bank of Stokes County where your money will not only be safe, but if you leave it with them for 3 months you are paid 4 per cent interest.

Association May Be Held At Flat Shoal Next Fall.

Elder J. G. Southern, of the Primitive Baptist Church was here Thursday from Germantown Route 1. Mr. Southern has recently built a beautiful home, though it is not yet completed. Mr. Southern tells the Reporter that in all probability, the Primitives will hold one of their Associations at Flat Shoal next fall, unless the new church of Bunker Hill near High Point, should want one this year. It is the custom where a new church desires the Association, for the old churches next in succession, to give precedence to their new brethren. Mr. Southern's son Frank is attending a business college in Tennessee.

NO USE TO DIE.

"I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White, of Rushboro, Pa. I would not be alive to-day only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease even after the case is pronounced hopeless." This most reliable remedy for coughs and colds, lagrippe, asthma, bronchitis, and hoarseness, is sold under guarantee at all Druggists, 50c. and \$1.00. Trial bottle free.

Mr. and Mrs. Robert George began housekeeping last week in the Prather home on Willow street this city.—Mt. Airy News.

ELVA.

The Opening Gun Of the Campaign.

What may be termed the opening gun of the political campaign will be fired in Stanley county April 4th, when the convention will be held, that county being the first to hold. Craig expects to carry that convention. On the other hand Kitchen expects to carry Lee county, so it seems that there will be a set-off. In fact Kitchen expects to carry Lee almost unanimously, his friends saying that he had a great deal to do with the formation of this new county which has made so handsome a start. April will, therefore, bring plenty of news and conventions will be held every Saturday, here and there.

"Little Bantam" Writes.

Madison, Route 3, March 23.—After a long silence I believe I'll write a little more from this section.

Choppings are all the go in this neighborhood. Farmers are somewhat behind, owing to the bad weather. Tobacco plants are looking well.

Sunday School at Mrs. Dalton's is doing well. 60 answered to roll-call last Sunday. They are planning for an Easter entertainment.

Prohibition is warming up down here. I believe this neighborhood will go almost solid. If some could have seen the sight that was seen here Saturday, there would be more votes for it. I am proud of the stand the Editors of the Reporter are taking on the subject.

Mr. Samuel Richardson has been on the sick list for some time.

Quite a crowd at J. N. Highfill's Sunday. Among them an old aunt of Mrs. Highfill, Miss Sallie Richardson. We are always glad to see her come.

The young folks and older ones too have been singing at Mrs. Ruth Dalton's every Sunday night. Good crowds every night.

I want the editors to remember to keep sending the Reporter. I can't afford to miss a single copy.

RATE LAW DECLARED UNCONSTITUTIONAL.

The United States Supreme Court Sustains Judge Pritchard.

A dispatch from Washington says that the United States Supreme Court sustains Judge J. C. Pritchard in the railroad rate matter, holding the law passed by North Carolina legislature to be unconstitutional. However, this, it is supposed, will not effect the compromise entered into between the special session of the legislature and the railroads.
