MADDOGS IN WALNUT COVE.

Death of Infant of Mr. and Mrs. J. A. Whitten--Illness of Mrs. W. F. Bowles--Walnut Cove's Brass Band Doing Business.

Walnut Cove, June 9.—There was considerable excitement here one day the past week over the appearance of a maddog on our streets. The rabid canine bit one dog for Mr. C. Hairston, which was killed, and one for Miss Lillian Grubbs, which found his way to the bottom of Town Fork creek. One bitten at J. B. Woodruff's took the poison route, while one supposed to have been bitten, the owner of which was Miss Minnie Landreth, must have been kidnapped. He disappeared very mysteriously in broad open day time. The dog that did the work which created so much unhappiness and hard feelings on the part of some of our good citizens, was shot two miles north of town by one Lee Gibson.

Mr. G. E. Smith, postmaster at Mullins, S. C., is here drinking mineral water from Mr. C. Hairston's artesian well. This has proven very beneficial when used for various ills. Mr. Smith's ailment is indigestion. We hope he will improve rapidly.

Dr. A. G. Jones returned today from Durham, where he witnessed the graduating exercises at Trinity, of which class his son, Abe, Jr., was a member.

Gabe Martin and Miss Barnes, Bob Hedgecock and Miss Marguerite Adams, Nat Hedgecock and Miss Estella Rierson visited the mountain Sunday.

Mr. J. R. Voss visited at Winston Sunday.

Miss Elenor Rauhauser, of Philadelphia, who has conducted the millinery business for Rothrock & Voss this spring, left for her home Sunday. Miss Rauhauser leaves a host of friends in our village, and doubtless quite a number of the young men feel a sadness akin to home-sickness on account of her departure.

Mrs. J. W. East spent Sunday with her parents, Mr. and Mrs. E. R. Voss, on Route 1.

Mr. C. Hairston is visiting his daughter, Mrs. Lettie Dunkley, at Christiansburg, Va.

Campbell, June 8.—Times are lively now as people are busy at work. Crops are looking fine around here now. There is a fine wheat crop on the land around here.

There is lots of sickness here now.

Mr. Bill Manuel is very low with pneumonia.

The death angel visited the home of Mr. Lilman Hooker and took from him his dear little boy.

Guess Mr. John Priddy is all smiles this week as the stork brought a 15 pound girl to his home May 29.

Mrs. John Priddy had a mess of green beans the first Sunday in June. Who can beat that?

Guess the people are lonesome since the election, as we get prohibition and they haven't anything much to talk about now, but hurrah for prohibition.

Guess the people are nearly done planting tobacco. There is a large crop planted around here.

There will be preaching at North View 2nd Sunday. Hope to see a large crowd out.

Mrs. Nerva Durham visited her mother Saturday and Sunday.

Sudden Death Of Mrs. Emily Hall.

Mr. E. C. Sheppard, of Dellar, was in town yesterday and brought news of the sudden death of Mrs. Emily Hall, which occurred near Smith yesterday morning. Mrs. Hall had been in apparently good health and her death was quite a shock to her friends and relatives. She was about 85 years of age, and was a most excellent lady. Mrs. Hall leaves several sons and daughters, among them being Mrs. L. J. Lackey, of Madison; Mr. Caleb Hall, of Sandy Ridge; Mr. Reid Hall, of Roanoke, Va.; Messrs. Pink Hall, and others.

The interment was made at Snow Creek church graveyard, to-day, attended by a large crowd of relatives and friends.

Return Your Registration Books.

A number of the Registrars of Stokes County have failed to return to the Clerk of Court their registration book containing the names of all persons who registered under the "Grandfather Clause," as the law requires. Unless these books are sent in within a few days the Clerk will not be able to certify a list of such voters to the secretary of the State and will have to report the books not returned.

M. T. CHILTON, C. S. C.

Lena, the little 18-months-old daughter of Mr. and Mrs. Sidney Golding, of Meadows Route 1, is seriously ill with something like inflammation of the brain.

NEW ROLLER MILL FOR PINNACLE ROUTE 2.

Funerals of Mrs. John Page and Son to Be Preached At Volunteer On Third Sunday In June.

Misses Rilla and Eliza Gordon, visited their brother, Mr. B. V. Gordon, Saturday and Sunday. They report a jolly time.

Mr. J. Y. Phillips will begin work on his new roller mill Monday morning. This will be a great help to the community.

Politics and prohibition is all the talk now. We all send up a loud "hurrah" for Kitchin and Brooks.

We notice a letter in last week's issue of the Reporter from Mr. C. E. Lasley, of Winston-Salem, in which he reflected on the free school teachers and also our present Co. Superintendent of Stokes. We can truthfully say we have never had a more faithful Superintendent than Prof. Smith and the schools are in the best condition they have been in for many years. And the teachers are doing all in their power to better our schools. And if they spend their money for dressing they certainly get it honest. We think it looks very small of a young man to go to another county and try to cast insinuations on the free school system of his home county. The county should not be judged by the few people who take no interest in education.

Baseball on Westfield Route 1--Entertainment at Francisco School House Saturday Night, 13th.

Westfield Route 1, June 8.—People in this section are most done planting tobacco, and are getting along with their work fine. Wheat is most ready for harvesting.

Quite a large crowd attended preaching at Big Creek church Sunday.

Big Creek and Francisco baseball teams played a match game Saturday. The score stood 13 to 21 in favor of the Big Creek boys. This was the second time the Big Creek team has beat the Francisco boys. Guess their little nine don't care to play any more.

The Westfield nine will play Big Creek nine Saturday, June 13th, on the Big Creek grounds.

Col. and Mrs. Jno. M. Gallo-way, of Madison, will go to Piedmont Monday to spend the summer at their cottage.
