STOKES BOYS GOING WEST.

L. A. Duncan and Russell Mitchell to Try Conclusions in Colorado--News From Intelligence.

Intelligence, Feb. 15.--We are having all grades of amusements here now.

Thursday and Friday nights of last week Prof. W. J. Deloney, of Indianapolis, Ind., lectured here. The first evening to a mixed house and the second night to males only. He is an ex-Roman Catholic Priest, a ripe scholar and a pleasant entertainer. Ask Russell Mitchell how Deloney is on fortune telling. He left Saturday for Mt. Airy.

The Jr. O. U. A. M. of this place presented the public school of the Barham school with a nice play and Bible Saturday. Owing to Hon. C. O. McMichael getting crippled by a team running away with him a few days since, the play was presented by Prof. Sharp, of Stoneville. The Bible was presented by W. H. Whitehead, principal of New Bethel Academy, with a fine speech.

The boys pulled off their negro minstrel Saturday night to a deluged house.

Mr. L. A. Duncan, of Dillard, was here yesterday and carried away Messrs. J. A. Duncan and Russell Mitchell, who have been attending school here. They say they will make their future home in Colorado, Russell to marry rich and Duncan to make money. Here is best wishes to them.

Esquire Wilson held his court here Saturday evening and tried Jas. Peerman for shooting a negro and adjudged that the shooting was justifiable.

Carter, Gann & Co. are handling 200 to 300 dozen eggs per week. Yet, some say eggs are scarce.

Pardon us. We were about to forget to say that Duncan kissed his boy friends before he left and Russell's girl shed a few tears.

Mrs. T. J. Gann is indisposed. Quite a number of our villagers are complaining of colds and grippe.
