## MR. GLIDEWELL WRITES

Is Suffering With Throat Trouble and Could Not Fill Appointments.

In a letter to the Reporter from County Organizer C. W. Glidewell, of the Farmers' Union, he requests us to state that the reason he has not filled the appointments he recently made was that his throat has been in such a condition that he was unable to speak, and that his physician advised him to rest. However, he hopes to be able to address the people at the following times and places:

- Stewart's School House, Monday, July 11th.
  - Meadows School House, Tuesday, 12th.
  - Pine Log School House, 13th.
  - Mt. View, 14th.
  - Moore's Springs, 15th.

## Oak Grove

Oak Grove, June 27.—There is a lot of sickness in this section at this writing. Mostly la-grippe and fever.

Mrs. M. T. Wilson, who has been down with grip and fever, is so she can sit up again.

Mr. D. Hamm, who took a back-set from fever, is some better, we are glad to note.

Messrs. Eugene Pepper and J. D. Cardwell, of Danbury, were visitors at Mr. G. W. Smith's on last Saturday. Judging from the look and appearance of Mr. Joe Cardwell, we think he is on the matrimonial campaign this year.

Mr. A. S. Marsh, of Pinnacle, while working in his field one day last week, found what he thought to be a lamphrey eel. Mr. Marsh was somewhat excited, and when he had killed it he found it to be a very large rattlesnake with 14 rattles.

The stork visited Mr. W. S. Rierson's one day last week and left him a fine daughter.

Mr. Editor:

The Democrats of Yadkin township have decided to put up Mr. J. T. Johnson, of Yadkin Township, for treasurer of Stokes county. Mr. Johnson is a popular man, and has been loyal to his party and we think he is a man capable of filling the office. He is a strong Democrat with a host of Republican friends.

Messrs. D. F. Tillotson, G. A. Jones, G. W. Smith and T. B. Smith, of this section, attended the convention at Danbury on last Saturday in the interest of Mr. Stedman for Congress. They report a jolly good time and a quiet and interesting convention.

Prof. Howell is Supt. of the graded school at High Point, while Miss Lindsay is a lady institute conductor of State reputation, and the institute bids fair to be one of much profit to the teachers of the county.

### Death of Miss Addie Biggs—Mr. Sherman Steele Improving.

Campbell, July 1.—Miss Addie Biggs died Wednesday June 22, at 9 o'clock p. m. She had been sick for quite a while but bore her sufferings patiently and was always cheerful. During her last hours she often talked of heaven and would ask various members of her family to come and go with her to that happy home. The interment was made at Oak Ridge church, burial services were conducted by Rev. J. A. Joyce, and a large crowd of friends and relatives were present. The floral offering were many, attesting the high esteem in which she was held. We shall miss her from the church and Sunday school but we believe she is now enjoying the pleasures of that heaven of which she spoke so often.

Mr. Sherman Steele is quite sick at present. His many friends hope that he may be speedily restored to health. Three physicians have been in attendance, and last reports were that he was somewhat improved.

## TO BE HELD JULY 27

### INSTITUTE FOR FARMERS

Will Be Conducted By Prof. T. B. Parker in Court House at Danbury—Institute For Women Will Also Be Held At Same Time—Large Attendance Desired.

Raleigh, July 1, 1910.

Editor Danbury Reporter:

There will be a Farmers' Institute at Danbury on Wednesday, July 27th. I shall thank you very much to call the attention of your farmer readers to the importance of attending the institute. There will be held in connection with the Farmers' Institute a Women's Institute presided over by Mrs. F. L. Stevens. Women's Institutes are not an experiment, but are regarded by those who are most familiar with them of even more importance than the institutes for men. It is at the womens' institute that home conditions are discussed and improvements suggested that tend to the better health of the family and to other conditions that will mean better country homes for our children. The uplift in the home is the first thing necessary to bring about contentment and prosperity on the farm.

At the Women's Institutes we are offering a premium of \$1.00 for the best loaf of bread baked and exhibited by a girl or woman living on the farm.

Thanking you in advance for your kindness in publishing a notice of the institutes, I am,

Yours very truly,

T. B. PARKER,

Director of Farmers' Institutes.

### Notice.

All teachers who have books belonging to the teachers' library, are hereby notified to bring them in on or before the first day of the institute.

Trusting to see all of the teachers at the institute.

J. T. SMITH, Co. Supt.
