DEATH OF MR. R. R. HUTCHINSON

Passed Away At the Home of His Daughter, Mrs. Theo Shelton, At Mayodan, Sunday, August 7th.

Danbury, Aug. 15.
On Sunday, Aug. 7th, 1910, the death angel entered the home of Mrs. Theo D. Shelton, of Mayodan, and took away our aged and well beloved father, Richard R. Hutchinson, after a long and well-spent life. He was born near Buffalo church, Stokes county, March 9th, 1829, and died August 7th, 1910 making his stay on earth 81 years, 4 months and 28 days. Most of his long life was spent in Stokes county. He was married to Miss Docia P. Ward, near Prestonville, June 2nd, 1857. Seven children were born to them, four of which survive, Chas. R. Hutchinson, of Meadows, Geo. Hutchinson, of Mullins, S. C., Mrs. Theo. D. Shelton, Mayodan, and Mrs. Mary G. Shelton, of Danbury Route 1, besides sixteen grand-children and five great grand-children. He was a volunteer in the Confederate war, was mustered into service under Colonel Ben Bailey at Stokesburg, N. C., Aug. 4th, 1862, was put in the 19th Battalion Company D., and was then in regular service until the close, and reached home April 9th, 1865. He was converted in camp near Petersburg about the year 1864, and some years later joined the M. E. church South, and lived a consistent member until his death. He lived a quiet, peaceful, Christian life, faithful to every duty, a devoted husband, a tender and loving father. During his long sickness he was never heard to murmur, but was thankful for every favor. While he was not blessed with much of this world's goods, I feel that he was rich in the love and grace of God. Forty years of my life was spent in the home with him, and in all the trials and disappointments of life his plea was always "I am very thankful it is as well with me as it is." He praised the Lord on the day of his death, and asked a blessing on those who stood around his bedside. While he is gone from us in the flesh I feel that he holds a place in the hearts of his children and friends that will last as long as life. He was laid to rest in the family burying ground, near Prestonville, Aug. 8th. Funeral services were held by Revs. Collins, Joyce and Wall.

Asbury, Aug. 12.

Dear Reporter:

Crops are looking well. Our people are buying clover seed right along to sow in corn and stubble land. Crimson clover sets on any good land at Asbury, and makes us about double the yield of corn and makes better tobacco and more pounds.

Mrs. G. L. Simmons and children attended the association at Pinnacle last Sunday. They report a large well-behaved crowd and good preaching.

Misses Mary and Maggie Wallers, of Virginia, are visiting at Dr. Leak's this week.

We hear there was trouble at Locust Grove on Big Creek last Sunday at a colored church. That a white boy shot and tried to run the blacks away from church, while preaching. Will some good man please tell me what the whites go to that colored meeting for? Do they hope to be benefited themselves or do they try to help elevate the colored people by their presence. What does it mean, and what will it come to?

We are glad to state that our prospect for a good eight-months school at Asbury is bright this year.

PICNIC AT RED BANK

MOST PLEASURABLE OCCASION

Crops On Rural Hall Route Two Greatly Refreshed By Rains. Ice Cream Supper At Bethel Church Next Saturday.

Rural Hall Route 2, Aug. 15.—The recent showers, which were so badly needed, have caused the crops in this section to take on new life and the farmers are very much encouraged.

The Bethel singing choir and others from this section took an excursion trip in wagons and buggies to the picnic at Red Bank church last Saturday and condensation and precipitation was going on freely in the atmospheric regions of the universe, yet we enjoyed the trip immensely. That big, kind, hearted, whole-soul Christian, brother Simmons, gave us a hearty welcome and made us feel at home. The exercises were good and were enjoyed by a large crowd. There were four singing choirs present, and all did some excellent singing and was immensely enjoyed by all present. When the noon hour came we all gathered around a long table which was loaded down with the good things which the kind hearted women had prepared, and we all ate till we were filled, and some did not stop then. We shall never forget the kindness shown us by the good people of Red Bank church.

The Poplar Spring choir went to the township Sunday school convention at Pinnacle Saturday, and report a nice time. Rev. Robert Helsabeck, whose field of work is in Virginia, and who is spending his vacation here with relatives and his many friends, preached at Bethel Sunday night. He preached an excellent sermon and it was enjoyed by all present. Mr. J. H. Cromer, who is a noble young man and with whom any young lady would do well and be proud to join hands, spent a few days at Mr. W. R. Moser's and enjoyed the picnic trip with us. Come again, Mr. Cromer, we girls are glad to have you with us. Mrs. Southern spent several days with her daughter, Mrs. Fannie Moser, the past week. She is eighty-five years old and can get about with unusual activity for one of her age. On the day that she was eighty five, she cut and made her an apron without the aid of glasses. There will be an ice cream supper at Bethel church Saturday evening August the 20th beginning at 5 p. m. Proceeds for benefit of church. There will be singing and perhaps some speeches. Let everybody come out and enjoy the evening with us.

Notice.

All notices of ice cream parties, suppers, etc., except when the proceeds go to religious or charitable objects, will be charged for at our regular advertising rates.
