BUCK ISLAND LOCAL

THE BRANCH OF THE UNION

Buck Island Farm Lands Rise in Value On Account of Greater Interest in Farming—Bigger Grain Crops to Be Planted.

The Buck Island local of the Farmers' Union is one of the best in the county. A Reporter man was talking with Mr. Nelson, a member, Monday says that he has never seen such a big improvement in farming in his section of the county as has taken place since the Union began to get in its work, and especially since the farm demonstration has been going on in the county. Everybody is taking a new interest in farm work, more corn and wheat and less tobacco are being planted, and with this has come a large rise in the price of values of land. Mr. Nelson says that last year increased wheat acreages were put out, but that the coming year will witness a much greater grain planting than last year.

The Buck Island local is made up of a number of earnest, harmonious workers, who meet regularly, not alone to discuss how to get bigger prices for tobacco, but the subject of more scientific farming is discussed, and newer plans of planting, cultivating and gathering, which is doing great things for the Buck Island farms.

Public Speaking.

Hon. David H. Blair and Hon. Wm. P. Bynum will address the people on the issues of the day, at the Stokes County Fair at King, on Monday, Oct. 19, 1910, at noon. Everybody invited.

THE BIG ASSOCIATION.

Next Saturday, Sunday and Monday—Crowds Expected to Be Large.

The Primitive Baptist Association begins at North View next Saturday, and will continue for three days, embracing Sunday and Monday. From all reports and indications the crowd in attendance will be a record breaker. On account of the bridge here being torn down and repairing, a good ford has been arranged right under the bridge, but all persons who do not care to ford the stream, can go around via the Seven Island ford or the Buck Island bridge, which is only a little farther.

The Winston Fair the Best Ever Before—W. A. Nelson Sells Load of Primings at Good Price.

Messrs. W. A. Nelson, Auguston Nelson and F. E. Nelson, and many other Stokes citizens returning last week from the Winston Fair say that the occasion was the most successful that it has ever been before. The crowd was unusually large, the exhibits fine, and the attractions of unusual interest.

Mr. W. A. Nelson says the fireworks alone were easily worth the cost of the trip. While in Winston Mr. Nelson sold a load of primings, which averaged him 11 cents. He is one of the finest tobacco raisers in the county, and makes good stuff, but he says he was not expecting such a good price for his primings. He was very well pleased.

Chamberlain's Cough Remedy has become famous for its cures of coughs, colds, croup and influenza. Try it when in need. It contains no harmful substance and always gives prompt relief. Sold by all dealers.

100,000 POST CARDS

PRESS STARTS ON LONG RUN

Reporter Job Department Handling a Big Order—Pretty Post Cards Find Ready Sale.

The Reporter's job press has started on a long run. One hundred thousand post cards will be printed, the work of which will consume many days. Since the first specimens of the pretty local views came from the press the cards have sold fast, and the supply is hard to be kept up with the demand. Orders have come by mail not only from all nearby points but from many western States, notably Oregon, Texas, Ohio, California, Kansas, and other places.

Former residents of Stokes, seeing the advertising in the Reporter, have readily responded.

The cards are sent postpaid anywhere at 3 for 5 cents, stamps or coin taken. The same price is charged at the office.

Get Ready for the Fair.

The Stokes County Fair is getting very close, please get your poultry ready, and bring them out on Monday, as the Judge will be here ready to judge them Tuesday morning. We want a nice display of birds this time, so everybody bring your poultry, let the Judge tell you with the score card what you have. If you have the best you should be proud, and if not the best this time try next year to beat. Get your coops ready and come on.

Wishing to see you all,
S. L. PULLIAM, Manager.

THE SAVING HABIT

WILL MAKE OUR COUNTY RICH

Now That the Tobacco Crop is Being Marketed, and Everybody Will Have Some Money, Start That Bank Account.

The time for marketing the tobacco crop for 1910 is here, and soon every person will have money. The habit of each year laying aside a portion of the year's earnings against the coming of sickness, old age or adversity, is the safe-guard of our people. In a few years a bank account grows fast, and homes may be purchased by the surplus accumulated, or other life plans realized.

We pay 4 per cent interest compounded quarterly, your money with us drawing interest from day of deposit to the day of withdrawal, and you all the time have the privilege of getting your money back any time you want it.

Start your account today, and be independent. Don't wait till you get a large amount. We receive deposits from \$1.00 upwards.

Mrs. Betsy Ann Hall returned home yesterday from a two weeks visit to her daughter, Mrs. Pink Boyles.

The farmers are most done cutting and curing tobacco.

Announcement.

To the Democrats of Stokes County:

At the last county Democratic convention I was nominated for the office of County Commissioner, and while I highly appreciate the honor conferred upon me by my party, it will be impossible for me to accept the nomination on account of my ill health and the fact that my education is such that I could not properly fill the place if elected.

Thanking you again for the honor and hoping that you will select a better fitted man for the place, I am,

Yours truly,
WM. M. WATTS.

COUNTY CANDIDATES

MAKING ROUNDS THIS WEEK

The Office Seekers Are Meeting With Rather Small Crowds, As the People Are Very Busy On Their Farms And Not Studying Politics.

The canvass of the county candidates was formally opened at Lawsonville Monday, before a small crowd. People are very busy finishing the sowing of the tobacco crop, and preparing for grain sowing, and are not much interested in politics.

The candidates all merely announced themselves, except Mr. Fagg and Dr. Hill, the legislative candidates, who spoke at considerable length. Mr. Fagg came first, and was armed with a mass of literature, data and notes. He warmly attacked the Democratic State administration, speaking for more than an hour. Dr. Hill, the Democratic candidate, in a speech of about half an hour, defended his party well, and won favorable comment from many of those present.

The candidates enjoyed an excellent dinner spread at the hospitable home of Mr. and Mrs. E. C. Sheppard.

Yesterday the candidates spoke at Francisco, today they hold forth at Wright's Store, tomorrow at J. D. George's Store, Friday at Pinnacle, Saturday at Capella, then skip a week, beginning again on Monday, Oct. 24 at Wilson's Store.

Sweet Milk Wanted.

We want 8 gallons of good fresh sweet milk delivered at our refreshment stand at North View Baptist church early next Saturday morning, the first day of the Association. We also want 15 gallons on Sunday and 6 gallons on Monday. Will pay 20 cents a gallon for the milk.
