### THREE CHUMS.

From Willie Wilkins.

Sandy Ridge, Dec. 11.

Dear Reporter:

I am a little boy 9 years old. I do not go to school. Mama teaches me at home, my studies are fourth reader, geography, arithmetic, spelling and writing. I like geography the best of all. I think I would like to live in Boston.

How many of you are looking for Santa Claus? I for one. I guess he is loading up to take his long trip with his warm fur clothes on, and his reindeer sled. I believe I would like to ride with him. I know he would give me all the sugar plums I could eat. I know he is kind and good, for who is it that don't know him. Is it not kind of Santa Claus to think of dear little boys and girls when the winter nights are long and dreary because Christmas doesn't come but once a year.

Your little friend,  
WILLIE WILKINS.

## Death of Mr. Will Spencer—Other News of Stella.

Stella, Va., Dec. 4.—The health of this community is very good at present, with the exception of a few.

We are having lots of snow and ice now. Guess it will help the wheat crop.

We are sorry to note the death of Mr. Brack Adkerson, who passed away Dec. 2. He died with pneumonia. He leaves a wife and several children to mourn their loss.

There were several young people at the home of Mr. D. F. Rhodes last Sunday, and all seemed to enjoy themselves very much.

Mr. Will Spencer, of Spencer, Va., was carried by Dr. Perkin to Battle Creek, Mich., for treatment of cancer, some three weeks ago, but died the 8th of this month. Mr. Spencer is a man of great wealth. He runs a large business at Spencer. He was never married. His remains were brought home for burial.

Miss Lula Rhodes returned home last Wednesday, after spending several days with her brother. Mr. Taylor Koger accompanied her home.

The school here is progressing nicely under the management of Miss Annette Penn.

Misses Lula and Vera Rhodes have returned home after spending a week with relatives, Mr. and Mrs. Zeb Rhodes, of Roanoke, Va.

Xmas will soon be here. Guess everybody is expecting a nice time.

Wishing the Editors and the many readers a merry Xmas and a happy New Year.

### Obituary.

Died at the residence of Dr. D. C. Dicks, near Gideon, Stokes county, N. C., Dec. 8, 1910, Miss Oliva Blackburn, aged 75 years.

She had lived with Dr. Dicks' family since the death of her half brother, W. H. Flynt, many years ago, and helped to care for his children and grand-children, to whom she was greatly devoted. The deceased was raised and educated by her uncle, the late Col. J. M. Covington and his mother, but had resided with Dr. Dicks since his marriage to her niece to whom she was very much attached. She had been in declining health a year or two, but not past going around only a short time before she died of a heart trouble. Her death was sudden and unexpected and was therefore a great shock to the family, by whom she is greatly missed.

The surviving brothers are Columbus Blackburn of Walnut Cove; Capt. Thos. J. Blackburn, of Mt. Airy, N. C.; Dr. J. C. Blackburn, late of Giles county, Va. and James M. Blackburn, of Henry county, Mo. She leaves also a large circle of relatives here and elsewhere to mourn her death.

We hope she has entered into rest.

Respectfully,

J. G. H. MITCHELL.

The Mt. Airy News and Winston Sentinel are requested to copy.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
