OAK GROVE NEWS

THE WHEAT CROP IS INJURED

School Is Preparing For Entertainment Christmas Eve—Lot Of Sickness In the Community.

Oak Grove, Dec. 12.—The farmers of this section are some what overjoyed at the recent snow that covered old mother earth on last Saturday night, which they say will do wheat so much good. The wheat crop that has been sown has had a tough time owing to so much cold dry weather since being sowed. It is thought by a good many farmers that a lot of wheat has dried out.

There is a lot of sickness in this section at this writing, mostly pneumonia with some cases of typhoid. Mrs. T. B. Smith has typhoid fever and is improving very fast at present.

The Oak Grove school is progressing nicely under management of Mr. E. B. Isley, of Guilford, who has had many years of experience in teaching. They are planning to give the little folks a Christmas entertainment and all around good time at the close of the school for Xmas. The patrons of the school and all others that care to are invited to come and help out in the occasion which will take place on Saturday, Dec. 24, Xmas eve.

Mr. W. A. McGee, of Mizpah, who has been in the employ of G. W. Slate will take charge of C. H. Lunsford fine roller mill at an early date.

Mr. D. W. Gordon, of Pinnacle, Route 2, has added to his house a well furnished library which will be very much enjoyed by the family.

Messrs. James Nelson and Livy Boyles are planning to spend Xmas with friends near Siloam.

Mr. L. R. Boyles will leave for Brooksville, Fla., about the first

of the year. As there is no sporting going on in the Oak Grove section, very likely there will be no wedding for Xmas, so we guess we will be bothered with the same crowd at the beginning of the new year.

Mr. C. R. Boyles spent Saturday and Sunday on Pinnacle Route 2, as usual.

A lot of tobacco is being marketed in this community. Some report that prices are a little off. SCRIBBLER.

"I had been troubled with constipation for two years and tried all the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by all dealers.

Mr. D. F. Duggins, of Sandy Ridge Route 1, was a visitor at the Reporter office Monday.

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious disease. Mr. B. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all dealers.
