WRECK AT COVE

ENGINEER AND FIREMAN HURT

Engineer Loses Control of Engine and Crashes Into Box Cars On Siding.

Walnut Cove, Dec. 19.—Fireman H. C. Yates, of the N. & W. freight No. 85, was thrown thirty feet and very badly hurt, and Engineer J. W. Bloom was slightly scalded in a wreck here yesterday morning.

When freight No. 85, of the N. & W., reached here the water supply was so nearly exhausted that the engines had to cut loose and run up to Dennis for water. As they were returning, running backward, Engineer Bloom was trying to force water into the boiler with an injector and so the engine got the start of him as they were coming down grade into the Walnut Cove yard. The engine jammed the tender of Mr. Bloom's engine into the cars which had been left on the siding and crushed it to splinters. Mr. Yates was thrown from the engine about thirty feet, where he lay unconscious till help came and he was carried to the station, where Dr. A. G. Jones, physician for the N. & W., dressed his wounds. Dr. Jones carried him to the N. & W. hospital at Roanoke yesterday evening on No. 22. It is believed that Mr. Yates' wounds will be fatal. Engineer Bloom was slightly scalded but not to the extent that he was unable to work.

Last night a wrecking force from Roanoke came here and cleared up the debris.

North Carolina, Stokes County, Sauratown Township.

To whom it may concern: This is to certify that on the 14th day of December, 1910, personally appeared before me in Walnut Cove, J. H. Fulton, Hubbard Ferguson, J. W. Newman and Thomas Hairston, and after being duly sworn by me as to the correctness of the (5) five bushel tub used on Peter W. Hairston's farm for measuring corn, say that they have seen it measured and that it is a correct measure, so say each and all of them.

Witness my hand and seal the day and date above mentioned.

ENDS WINTER'S TROUBLES.

To many, winter is a season of trouble. The frost bitten toes and fingers, chapped hands and lips, chilblains, cold sores, red and rough skins, prove this. But such troubles fly before Bencklen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Sores, Eczema and Sprains. Only 25c at all Druggists.

NOTICE!

To Whom It May Concern:

Notice is hereby given to all persons concerned, that application will be made to the next session of the General Assembly of North Carolina, for the passage of an act amending the Charter of the town of Walnut Cove, Stokes County, N. C., by extending the corporate limits thereof, and also amending said Charter in other respects.

This the 7th day of Dec., 1910.

YOUNG MAN MISSING ON KING ROUTE 2

JOHN PALMER DISAPPEARS

Farmer of Brown Mtn. Believed to Have Committed Suicide—Search Being Made.

A telephone message to the Reporter today announced that there is a good deal of excitement in the Brown Mountain country over the disappearance of Mr. John Palmer, a young man about 30 years of age, and the possibility of his suicide.

Mr. Palmer, who lived at the northwest end of Brown Mt., left home early Tuesday morning, carrying a gun and an axe, and failed to return home at night. Today the neighbors started a search for him, and though the axe was found about a mile from Mr. Palmer's home, no sign of the missing man or the gun had been discovered up to noon, and the search is still in progress.

Mr. Palmer is said to have acted rather strangely in one or more instances recently, and it is the opinion of the family and friends that his mind may be affected and that he might have taken his life.

LOCAL ITEMS.

Mr. J. E. Hutchens, of Peter's Creek, Va., will remove to Mt. Airy the first of next year and engage in general merchandising.

Mr. Jas. Martin, of Meadows, and W. C. Martin, of Moore's Springs, visited Danbury today.

Surveyors are in Surry making the first survey in an effort to find the most desirable line for the new railroad from Mt. Airy to Roanoke, Va. The line they are now at work on starts at the Junction and goes up Ararat river for some distance. There are two other lines that will be considered before the road is located, says the News.

Mr. Milton Southern, of Germantown Route 1, told the Reporter yesterday that many farmers of his neighborhood had killed good-sized porkers recently, and that the people were getting in much better fix with regard to raising their home supplies. This is pleasing news, Mr. Southern. People who produce their supplies are really independent. Tobacco may sell high or low, and they will live. But the man who depends on tobacco alone will surely come to grief financially. You may go all over the county and wherever you find a farmer with money in the bank, you will find a farmer who buys mighty little meat and bread and daisy middlings.

MANY BIG PORKERS KILLED

New Buildings Going Up — Mr. Edwin Idol Sells Out and Will Go West — Quick Step Stockholders Meet.

King Route 2, Dec. 19.—The farmers of this section are in good spirits with plenty of meat, corn and wheat for another year.

A lot of new buildings are going up on King Routes 1 and 2. Many fine porkers have been butchered the past week. Mr. S. K. Anderson killed two that tipped the beam at 826; I. G. Gentry one, 508; W. H. Boyles 3, 1,008 1-2; R. G. Gentry 3, 948; I. B. Gentry 3, 820; Joe Boyles, 2, 723, and many others that we haven't learned the weight.

Mr. Edwin Idol, of King Route 2, sold out his property last Friday. Mr. Idol expects to leave with his family next Monday for Spokane, Washington. We wish them a safe journey.

The directors of the Farmers' Quickstep Telephone Co. held their meeting the 13th at which time there was a good number of lines and phones turned in to the company. The directors made some changes and connected the Olive Grove division to the switchboard at G. A. Jones' and it is giving good service.

Mr. A. S. Marsh sold a load of tobacco last week for 22 1-2 a round. SCRIBBLER.

BORN CORN GROWERS.

The Boys of this State Have Made Good in the Corn Contests.

Raleigh, Dec. 9.—Reporting to the annual session of the State Board of Agriculture his work as director of the Farmers' Institute and Boys' Corn Club divisions, T. B. Parker shows, 1,154 boys in 74 counties contested in the crop just harvested, the reports showing yields of from 20 to 146.28 bushel to the acre. The report makes public the winners of the prizes in the ten districts into which the State was divided.

This district is as follows: Eighth district—Clarence Coffee, Caldwell, 87.59; Lee P. Frans, Stokes, 87.2; W. Cary Coffee, Caldwell, 86.34.

The average yield for the contests the state over 58.75 bushels. There were 83 boys obtaining yields of over 75 bushels, 33 boys over 100 bushels; ten boys over 130 bushels, and five boys over 140 bushels.

THE PINNACLE HIGH SCHOOL

We are anxious that every person who is thinking about attending school this year learn something of the advantages and opportunities offered by the Pinnacle High School. We offer the same opportunities as are offered by other State High Schools. Any student who lives in Stokes county, and can enter the eighth grade, may come without cost of tuition. You will not find your school expenses less at any school than they will be here. Board and room rent, light, fuel, etc., furnished for \$8.00 per month.

It has been circulated through different parts of the county that students could not secure board in the town. This is a mistake. Students can secure board in private families near the school building, and there are several families who are anxious to take boarders. These houses are only a short distance from the school building. For those who wish to work for board, there are opportunities open to good, honest, hard-working boys. This offer is for a limited number only, at the present time.

We have a large and commodious building, conveniently arranged in every way. There is no other school building in Stokes county that is as large and so well equipped as the school building here. All the people are proud of their school building, and realize what a great benefit the school is to the community. The good ladies of the town through the association for the betterment of public schools, have presented to the school a nice piano, and also have purchased some new desks for the school. We wish to extend to them our many thanks for these valuable gifts to the school.

If there is any information you wish in regard to the school, we will gladly give you the desired information.

IN SURRY JAIL

STOKES MEN FOR HOMICIDE

F. G. Southern and Son Herman Charged With Killing John Wall At Pilot Mt. Last Friday.

It was learned here Saturday that F. Gid Southern and his 14-year-old son, Hermon, engaged in a row Friday with Southern's son-in-law, John H. Wall, in which the latter was stabbed, dying three hours later. The report is that Southern and Wall were about to come to blows when Southern's son stepped between them and stabbed Wall over the heart with a knife. Another report says that though the boy struck Wall he had no knife, and it is said by some that the old man stabbed Wall.

The father and son were given a preliminary hearing on Saturday and bound over to the Surry county Superior court, and in default of bond were committed to jail at Dobson.

F. G. Southern is a former citizen of Stokes, and is well known here, having moved from this county to High Point a few years since and later to Pilot Mt.

The deceased who married Southern's daughter, was about 40 years of age, and both families lived in the same house.

Sandy Ridge.

Sandy Ridge, Dec. 16.

Messrs. Editors: Will you please allow me space in your valuable paper for a few lines as I have not seen anything from our neighborhood recently. Mr. M. S. Steele is having erected a new chimney to his dwelling.

People are very busy preparing for Xmas.

The Smithtown school taught by Mr. E. H. Biggs, will have an appropriate Xmas entertainment on Thursday evening before Xmas at 1:30 o'clock, that being Dec. 22. The public is cordially invited.

The school is progressing nicely, they having on roll 72 and made an average of 60 the first month.

Well my friends as Xmas is drawing nigh let us remember why we call it Xmas We call it Xmas because our Saviour was born at that time, so instead of seeking our own pleasure during Xmas, let's seek to please him who died that we might live.

May God bless you all with a happy Xmas.

SCHOOL BOY.

Tax Collections Poor.

Sheriff C. M. Jones has just completed his second round of the county for the collection of the 1910 taxes and informs the Reporter that he collected less than \$3,000 on both rounds. The Sheriff is very anxious for the people to pay up as the public school teachers will soon have to be paid, and other expenses met. The State Treasurer is also calling on the county for the State's share of the taxes.

Dr. Joel Hill died at his home at Lexington last week. He had been in declining health for several years. He spent a short while at Piedmont Springs last summer.

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious disease. Mr. B. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all dealers.
