## TO POOL THE CROP

### BIG MEETING AT WINSTON

Of Union People Passes Important Resolution—To Decrease Acreage in 1911

Winston-Salem, Jan. 13.—Although not officially given out, it is reliably stated tonight that the tobacco growers of the State, in session here today, passed a resolution calling upon the growers to pool the 1911 crop upon the plan of the burley growers of Kentucky.

The resolution also calls for the establishment of a dry prizer to facilitate the handling of the crop. A second resolution was passed, it is said by which the growers agree to decrease the acreage of the 1911 crop. This resolution was followed by a refusal to enter into any arrangement to offer prizes for the largest yields per acre, because the principle of offering prizes for increased yields is in direct opposition to the movement for decreased acreage.

More than a score of counties, including virtually every county in the State in which tobacco is grown, was represented, the occasion being an executive meeting of the Farmers Educational and Co-operative Union.

The meeting was held behind closed doors, it being the sense of the convention that nothing be given out for publication at present. The president, Dr. H. Q. Alexander, of Mecklenburg county, presided. State Secretary E. C. Faires of Cleveland county and A. C. Shuford of Newton, Catawba county, chairman of the executive committee were among the prominent members present.

Editor Green of the union organ stated that the real purpose of the conference was to consider and formulate a movement among the farmers to adopt a co-operative plan for marketing the leaf.

### F. Gid Southern Released From Surry Jail—Son Still Confined.

F. Gid Southern, who has been in Surry county jail at Dobson, charged with implication in the murder of John H. Wall at Pilot Mt. recently, has been released on a \$3,000 bond. Southern's son, Herman, who, it is said, stabbed Wall, is still in jail, being unable to give a \$2,000 bond. The father and son will be tried at the next term of Surry Superior court.

Messrs. Peter Nelson and O. N. Swanson signed the old man's bond.

### The Taylor Hotel.

To the Traveling Public and Friends of the Taylor House:

I wish to say to you all that after this date I will be in charge of the hotel and will be there to attend to your wants in person. I have been connected with Mr. Taylor in his mercantile business as salesman for the past fifteen years and know how he wishes his hotel conducted—first-class fare, clean rooms and bedding and courteous treatment, which he always gives to one and all.

I will try to conduct the hotel on the same high standard that he always did, and will not have it otherwise. Stop with me and give me a trial.

Very respectfully,  
L. B. SIMMONS.

### Captured Thirty Two 'Possums and Two 'Coons

John Young, the Reporter's pressman, is a natural born hunter. During the past fall and winter he has captured thirty-two 'possums and two 'coons beside numerous rabbits, squirrels, etc. This is probably the best record made by any of our many local hunters.

### Seed Corn Days For Stokes County.

In order to assist the farmers of Stokes county in selecting their seed corn, our State Agent of the Farmers' Co-operative Demonstration Work has set apart Friday and Saturday, Jan. 27 and 28, 1911, for the seed corn meetings in the county. One meeting will be held in the court house at Danbury, on Friday, Jan. 27, and the other in the school house at King, on Saturday, Jan. 28. And we earnestly request all demonstration men, and the farmers generally, to attend these meetings and bring with them a few ears of their best corn. And be sure to get in promptly at 10 a. m. or earlier if possible, as it will take the day to get through the work. So again we insist that all our men get in early.

Respectfully,  
W. A. PETREE,  
County Agent F. C. D. Work.

### Taxes Being Paid at Slow Rate.

It is said that the people have not been so slow in paying their taxes for quite a while as they are this year. Scarcely more than one-tenth of the total taxes have been paid at this writing, Jan. 18th. One cause for this is probably the fact that a majority of the farmers have not marketed their tobacco. On account of the short seasons they have been unable to strip much of the weed. The public school teachers will soon finish their schools and will want their money and various other expenses of the county must be met, and the people should pay as soon as possible. Sheriff Jones will begin his third round next Monday for the collection of the 1910 taxes. Be prepared for him.

### Apron Party.

Perch, N. C., Jan. 13.—Mrs. Geo. Samuel gave an apron party to the young people of this village Tuesday night, Jan. 10th, which was immensely enjoyed by all present. There was some real nice sewing done, but of course the ladies had to decide on one, so they decided in favor of Mr. Fred Fowler. The prize being a beautiful tie. After the young men had completed their work, and the prize had been delivered, they were served with iced oranges and cake, after which we were entertained in the parlor with music and various games.

Among them were Misses Elma and Sonia Forkner, Lucinda Edwards, Martha and Emma Robertson and Mrs. Fulp, of Pilot Mtn. Messrs. Blannie Forkner, Robt and Gradie Fowler, Claud Allen, Thomas Randleman, Neal and Hiram Spain-hour

### SOLVES A DEEP MYSTERY.

"I want to thank you from the bottom of my heart," wrote C. B. Rader, of Lewisburg, W. Va., "for the wonderful double benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though made just for me." For dyspepsia, indigestion, jaundice and to rid the system of kidney poisons that cause rheumatism, Electric Bitters has no equal. Try them. Every bottle is guaranteed to satisfy. Only 50c at all Drug-gists.

## SUICIDE IN PATRICK

### WILL ALLEN KILLS HIMSELF

Distressing Affair Happened About Four Miles North of Sandy Ridge, Stokes County

At his home in Patrick county, Va., five or six miles from Sandy Ridge, this county, last Saturday, a young man named Will Allen took his own life. Allen was aged about 22 years, and was unmarried. His mind was probably unbalanced, as he had been acting strangely at times, and had more than once threatened suicide. Last Saturday he procured a razor, saying that he intended to end his life. Two of his cousins tried to persuade him to give up the razor, but quick as a flash the unfortunate young fellow slashed his throat, dying shortly afterwards.

Mr. Allen was at the late Association at North View, and his friends failed to notice anything unusual in his actions.

## FOUL PLAY CHARGED

### IN DEATH OF MR. ISAAC MOORE

Brother of Dead Man Says Circumstantial Evidence of Foul Play Has Developed—Body Will Probably Be Exhumed.

Some weeks since the Reporter printed an account of the death of Mr. Isaac Moore, who lived near King, the circumstances being that the deceased, who lived alone in a rather isolated section, was found dead in his home by a stranger passing, and as he suffered from epilepsy it was generally supposed that he died from the effects. However, it is learned that the brother of the deceased states that circumstantial evidence of foul play has developed recently and that it is very probable the body will be exhumed for examination.

### WALNUT COVE WON DEBATE.

Walkertown High School Pupils Defeated on Friday Night.

The debate held between Walnut Cove and Walkertown High Schools at Walnut Cove Friday night resulted in an overwhelming victory for the former. The debate was conducted by Prof. Wenhold of Walkertown, and gave entire satisfaction.

Walkertown having the affirmative, being ably represented by Messrs. Branson Holder, Francis Swain and Tucker Daye, and Walnut Cove the negative, represented by Ernest Fulp, Clarence Fair and Thos. Voss.

There were over 500 people present. Two extra coaches were chartered by Walkertown to bring the escorts who accompanied the debaters.

The next debate between these schools will be held at Walkertown. This is the second victory which has been won by the Walnut Cove High School over the Walkertown High School, the first being a game of base ball.

Quite a great deal of excitement has been created in Walnut Cove; and it is the town talk today as to which one of the Walnut Cove boys shall receive the next nomination to represent this district in congress.

## NEWS OF SNOW CREEK

### ON CAMPBELL ROUTE NO. 1

Deaths of Mrs. Rena Dillon and Mrs. Nancy Baker Southern—Fine School at Smithtown—Other News

Campbell, N. C., Jan. 15.—Rev. J. A. Joyce filled his regular appointment at Oak Ridge Saturday and Sunday, preaching two excellent sermons to a very attentive congregation. A large crowd was present both days.

There is lots of sickness in our section at present. Whooping cough has been in almost every family, but is generally in a mild form.

Mrs. Wm. Murphy is very sick, has been confined to her bed since Xmas.

Mr. Will Smith is right sick. Mrs. Rena Dillon, the beloved wife of Mr. Woodson Dillon, died Jan. 14th at her home near Sandy Ridge. She will be buried tomorrow at Sandy Ridge. Funeral services to be conducted by Rev. Sanford Biggs. She was a member of Buffalo Baptist church, and a most estimable lady. A husband and several small children are left to mourn her loss.

Mrs. Nancy Baker Southern died at her home on Campbell Route 1 recently. "Miss Nancy," as she was familiarly called, was a pioneer school teacher of sterling worth, and her former pupils and many friends learn of her death with sincere sorrow. But for her patient and kindly instruction, many people of this section would never have known much, as she kept private schools when the public schools were short and far apart. She was nearing 90 years of age. An aged sister survives. "There remains a rest for the people of God," and we hope dear Miss Nancy has entered into that rest.

Mr. Alonzo Sisk and Miss Nellie Poore of Campbell Route 1 were married last Sunday.

### Death of Mrs. J. Ham Mitchell—Other Dillard News.

Dillard, Jan. 16.—Mr. H. A. Nading, of Winston, spent Friday night here. Mr. E. W. Carroll, salesman for Marler-Dalton-Gilmer Co., spent Monday night here.

Mr. Burton Dillon, of Bassett, Va., returned home Saturday. He attended the funeral and burial of his sister, Mrs. J. H. Mitchell.

Death has again cast sorrow over our community and claimed for his victim Mrs. Georgia Mitchell, wife of J. Ham Mitchell. She died Jan. 12. Funeral and burial services were conducted by her pastor, Rev. Mr. Brendall, and the remains were laid to rest in the family burial ground near the home. Age, 37 years, 11 months and 9 days. She leaves a husband and four children, Joseph, Ceell, Ada and an infant girl three weeks old; two brothers, Messrs. Burton and Benton Dillon, and seven sisters, Misses Alice, Lou, Ella, Jennie, Susie, Gilla and Mamie. A good neighbor and kind and loving wife and mother is gone from us. It seems to us there are many others that could have been spared better than Mrs. Mitchell, but God's ways are not man's ways, and we should live that we may be ready for the call. A mother gone from her little brood—one angel more in heaven to welcome her dear ones home to God.

Dr. J. H. Ellington is giving the Sandy Ridge and Pine Hill telephone lines a much needed repairing. A.
