Walnut Cove, Jan. 25.—Mr. J. W. Payne, of Donaha, who is an experienced miner, is here for the purpose of forming a company and developing the coal mine near town. Mr. Payne thinks the coal here is fully as good as that mined in West Virginia, though he says it will be necessary to go down a good distance to get good results.

Mrs. Mattie Huff visited old friends in town Monday.

Mr. Taylor Tilley's wife died in Winston last Monday. Her remains were brought out on Sunday and met here by the relatives and carried out to Mr. James Brown's and on Monday was buried at the family burying grounds. Funeral services were conducted by Elder Fagg.

DAMAGE DONE BY MADDOG.

Pigs Go Mad From Being Bitten By Same Dog Which Bit Curtis Smith—Some Social Affairs at Brown Mt.—Other News Items.

Brown Mtn., Jan. 22. Editors Reporter:

I would be pleased to have space in your paper for a few remarks in regard to maddogs. Yesterday I visited the farm of Mr. T. Smith. While there I saw some fine pigs biting and tearing up everything in reach. They were bitten by the same dog that bit Mr. Smith's son, Curtis, who is now in Raleigh being treated. It is awful to think of the expense caused by worthless dog.

We do not know what all was bitten by this dog, and the people of Brown Mtn. are living in dread of getting bit by a dog, or losing their stock, cows and pigs.

Mr. Smith's son writes that there are new cases constantly coming in. The number being treated in Raleigh now is eleven. One child just three years of age, and we are told the treatment is very painful.

Two of the finest porkers in this neighborhood were killed last Tuesday by Mr. Wm. Martin. One weighed about 385, the other 400.

The party given the young people by Mr. and Mrs. George Simmons Friday night, was a grand success. There was a large crowd present, and good music. Everybody danced until they wished to dance no more that night, yet there were many sad hearts when the time arrived to say good bye to the kind and jolly host and hostess.

The dance given at the home of Mr. and Mrs. Otto Tucker Saturday night was one of the nicest ever given at Brown Mtn. The young people danced until almost Sunday. All extended their gratitude to Mr. Tucker for the pleasure given them, and expressed many wishes to be entertained there again.

We know some girls who would like to live in just such a house as Mr. Tucker's, and they are patiently waiting for 1912. That is leap year, you know?

Mr. and Mrs. J. T. George reached home Saturday, after spending a few days in Winston. They report a nice time.

Mr. Curtis Smith is expected home Friday. We will be glad to see him in school again.

HENRIETTA.

Tobacco is reported to be bringing fair prices on the Winston market this week.

—Mr. Winfrey Moving His Mill—Other News.

Summerfield, N. C., Jan. 21. Dear Editors:

Please allow me to ask the attention of your readers for a short while.

We have had a nice little snow this week.

Mrs. Haley Winfrey, of Summerfield, got badly burned last Saturday and died Sunday at 6:30 o'clock. She was 80 odd years old. She leaves two daughters and 6 sons to mourn their loss. Mrs. Winfrey was a good woman and was loved by all who knew her. She will be greatly missed in this community.

Miss Naomie Moran returned to her home near Summerfield last Monday, after a two week's visit to High Point.

We learn that there was a big fire in Mechanicsville recently. They think the fire was found by two of the Mechanicsville girls. That is the latest news out. Watch out girls you will need the fire company next time.

Mr. Z. N. Moran is moving his saw mill this week. We hope he will have good luck during his moving.

Mr. John Rice, of Summerfield, is going to move back to High Point in a short while. We hate to see him leave our section.

Bennie Edwards Bitten By Maddog At Pinnacle.

Bennie, the young son of Mr. W. J. Spainhour, of Pinnacle, was recently bitten on the leg by a supposed maddog. Young Edwards was carried to Winston and a madstone applied to the wound. It stuck to the place thirty-two hours.

SOLVES A DEEP MYSTERY.

"I want to thank you from the bottom of my heart," wrote C. B. Rader, of Lewisburg, W. Va., "for the wonderful double benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though made just for me." For dyspepsia, indigestion, jaundice and to rid the system of kidney poisons that cause rheumatism, Electric Bitters has no equal. Try them. Every bottle is guaranteed to satisfy. Only 50c at all Druggists.

DEATH IN ROARING FIRE

may not result from the of fire-bugs, but often severe burns are caused that make a quick need for Bucklen's Arnica Salve, the quickest, surest cure for burns, wounds, bruises, boils and sores. It subdues inflammation. It kills pain. It soothes and heals. Drives off skin eruptions, ulcers or piles. Only 25c at all Druggists.

3 STORES ROBBED

MERCHANTS LOSE GOODS, ETC.

Thieves Broke Into Stores At Walnut Cove, Meadows and Dennis Saturday Night—No Clue To Guilty Parties.

Some time Saturday night the stores of Messrs. Jacob Fulton, at Walnut Cove, J. Wm. Morefield, at Meadows, and a merchant at Dennis, whose name we are unable to learn, were broken into by thieves and from each store a considerable quantity of goods were stolen. It is learned that neither of the merchants were able to tell just how much their loss was, owing to the fact that the thieves carried such a variety of things. For instance, Mr. Morefield missed part of a box of tobacco, a pair of shoes, a pistol and other items.

It is very probable that all of the stores were broken into by the same parties as it was all done the same night and it is only about 6 or 7 miles between the stores. No clue to the guilty parties has been found at this time.

Mr. Thomas Rothrock Buras His Pocket Book Containing About \$300.00.

While sweeping his store at Walnut Cove Monday Mr. Thomas Rothrock dropped his pocket book and swept it out into the trash pile. The trash was burned and the pocket book and contents with it. In it was \$30.00 in money and about \$270 in checks. Mr. Rothrock of course loses the money but will secure duplicates for the checks.

Moral: Keep your money in the bank. Tom Rothrock is a depositor of the Bank of Stokes County, but let this much accumulate in his pocket, expecting to make a deposit soon. Don't delay a day to put your money in the bank. Procrastination is dangerous. Pay by check. If a check gets burnt, the amount can be recovered. If currency burns, it is gone forever—forever—forever.

Stockholders Meetings.

Today the annual meeting of the stockholders of the Bank of Stokes County will be held in the bank building at Walnut Cove.

This evening at 8:00 o'clock the Farmers' and Commercial Bank, of Rural Hall, will hold their annual meeting.
