WEDDING IN YADKIN

BOYLES - GORDON NUPTIALS

Celebrated Last Sunday On Pinnacle Route 2—Death of Mrs. Chana Bennett.

Dak Grove, Feb. 14.—A very pretty wedding was solemnized our midst last Sunday, when R. Boyles, of King Route 2, and Miss Lillie E. Gordon, of Pinnacle Route 2, were happily united in the holy bonds of matrimony. They were accompanied by Mr. N. L. Boyles, brother of the groom, and Miss Victoria Smith, Mr. R. H. Smith and Miss Clemie Gordon, sister of the bride, to the home of Mr. P. Covington, Esq., of Pinnacle Route 2, where the ceremony was performed, after which they attended preaching at Brim's Grove. They then returned to the home of the bride's parents, where a sumptuous dinner was awaiting their arrival. After spending some time they were accompanied by only a few of the nearest relatives to the home of Mr. W. H. Boyles, father of the groom, where they were entertained the remainder of the day.

The groom is a worthy young man of Oak Grove, while the bride is the accomplished daughter of Mr. John Gordon, of Pinnacle. The happy couple have many warm friends in this community, who wish them a long, happy and prosperous life.

Mrs. Chana Bennett, of Pinnacle Route 2, departed this life on last Saturday at the home of her son, Mr. Dock Bennett, and was laid to rest at the family burying ground near Mr. D. F. Boyles' amid a host of friends and relatives who mourn the loss of a valued friend.

There is quite a lot of sickness in this community at present. Miss Maggie Boyles, of Route 1, is suffering right much from lagrippe, but we hope she will soon recover.

Mr. Colonel Darnell, of this section, has purchased a fine pair of mule colts worth \$600 and is contemplating purchasing a \$50 set of harness. SCRIBBLER.

Obituary.

Mrs. Nancy J. Venable was born April the 22nd, 1833, died Feb. 8th, 1911. Aged 77 years 1 month and 16 days. She was sick of pneumonia only four days. She bore her illness with great patience and resignation to the Lords' will. Often spoke of going home; said "there is no place on earth like where I am going." She leaves eight children, and three daughters, 34 grand children, and two great grand children to mourn their loss. She was a kind and affectionate wife, a devoted mother, a good neighbor, so far as known to the writer. No one spoke of her, only in the highest terms. She will be much missed by the children and grand children. Her husband, Martin Venable, preceded her to the grave a little over four years. She was buried at Brim's Grove church in presence of a good assembly of relatives and friends. The funeral services were conducted by Elder Henry Mickey and the writer. May it be the happy lot of all the family to be prepared to meet the mother in that bright world when there will be no sickness, no pain, no death, no more farewell tears.

FROM JACKSON, OHIO.

Mr. William A. Sams Reads the Reporter With Much Pleasure.

Jackson, Ohio, Feb. 7.

Dear Editor.

As I am a reader of your paper, and a former resident of Stokes county, and having many relatives and friends there I thought I would write through your paper so they all could hear from us. Myself and my wife visited our old home county last October, having been away for 37 years, and have raised a large family of 9 girls and 1 boy, making 10 in all. Seven of the girls are married and two girls and the boy are yet single. The girls that are married are scattered, two of them are in Indiana, and others here in this State.

I see so many items in your paper of different things in my old county, that it is a great pleasure for me to read. I would be glad if I could see some items from the Rock House and Brim Grove sections, as me and my wife have many relatives in those two sections. When we was down there I was surprised to see so much change in the country, so much land cleared, and so much building had been done, and the people was so kind and good to us you bet our trip down there left memories in our minds that will never be forgotten. Besides reading the paper some kind friend sends me the Western Sentinel printed at Winston-Salem. I am glad to get the news from our old home State.

I saw a letter in your paper a few weeks ago from Robert Venable, of Michigan, another North Carolinian. I like to read letters from anybody of my old neighborhood. We visited his parents while there. I hope some of our friends will write through the Reporter so I can hear what is going on in our old country.

We have had lots of snow and cold weather here this winter. WM. A. SAMS.

No meeting of the local Farmers Union was held owing to the severe weather. The next meeting will be held Saturday night, February 25th.

DEATH AT DILLARD

INFANT OF MR. AND MRS. DAVIS

Good Deal of Sickness in the Community—An Entertainment at the School.

Dillard, Feb. 14.—Farmers have begun burning plant beds in our vicinity.

We have quite a good deal of sickness at present. It seems to be something like lagrippe.

William, the little one-year-old boy of Mr. and Mrs. Frank Davis died last Tuesday of pneumonia, and was buried at Bethesda on Thursday.

Mrs. Boge James, who has been in declining health for some time, went to Danbury Sunday to spend some time under treatment of Drs. McCanness.

Mr. E. W. Carroll, of Winston, was here a few days ago.

Mr. J. Wilson Mitchell is having his residence painted.

Mr. Jay Adkins and sister, Miss Susie, and Mrs. Della Adkins, of Red Shoals spent last Tuesday at the home of Mr. and Mrs. Henry Adkins.

The people of this community were given a treat Saturday evening, at our school, by the teachers and pupils, in the form of an entertainment. Notwithstanding the inclemency of the weather, a large crowd attended and all enjoyed the exercises very much. To sit and listen at country boys and girls sing and play and recite like this, makes one feel like illiteracy has passed into oblivion. But these boys and girls should go on and on and, "not let it rest till the good is better, and the better is best."

CHILD DIES WITH HYDROPHOBIA

Daughter of Andy Fletcher of Pilot Mountain Dead From Mad Dog Bite.

The six year old daughter of Mr. Andy Fletcher died at Pilot Mountain Tuesday morning of last week from the effects of a dog bite. About six weeks ago a little pug dog, a pet of the child's, had fits and snapped and bit at everything in sight. Before the family realized the situation the dog had bitten the little girl. Then they killed the dog. Time passed on and last Saturday the child was taken with cramps and gradually grew worse. Monday morning it began to have spasms and Dr. J. B. Smith was called in. He found it suffering with all symptoms of hydrophobia and nothing that he could do would bring relief. The child could not swallow and yet it was thirsty and cried for water. Every time it saw water it would go into spasms. Its sufferings were indescribable, it would bite and scratch and it was almost impossible to keep it on the bed. All during the night Monday until death relieved it at 3 in the morning the little one suffered all the agonies of the dreadful disease.—Mt Airy News.

LIFE SAVED AT DEATH'S DOOR.

"I never felt so near my grave," writes W. R. Patterson, of Wilmington, Tex., as when a frightful cough and lung trouble pulled me down to 100 pounds, in spite of doctor's treatment for two years. My father, mother and two sisters died of consumption, and that I am alive today is due solely to Dr. King's New Discovery, which completely cured me.

"Now I weigh 187 pounds and have been well and strong for years." Quick, safe, sure its the best remedy on earth for coughs, colds, lagrippe, asthma, croup, and all throat and lung troubles. 50c. and \$1.00. Trial bottle free. Guaranteed by all Druggists.

The many friends of Mr. H. A. Blair will regret to know that his recent illness has assumed a much more critical stage, and that his condition at this time is quite unfavorable.

FROM ALEX MOORE.

Citizen of Missouri Whose Last Visit to Danbury Was to Attend A General Muster, Writes Entertainingly.

Farmington, Mo., Feb. 8.

Editors Danbury Reporter:

Will you please allow space in your paper to tell of some of the things of my boyhood days, so that my many friends and relatives may know that I still have the memory of old Stokes county. The last time I was in Danbury was in the year of 1856. I went to attend a general muster; of which Jink Terry was General. In those days we had petit musters once a month and a general muster once a year. The leading men of those days in Stokes county were Kisers, Helsabecks, (Augusta Helsabeck was my school teacher,) Peppers, (Dr. Pepper was our family doctor,) Terry's, Moody's and several others. I haven't space to mention all of them. Mr. Moody kept a hotel in Danbury. Mr. Moody hired an uncle of mine to feed horses and do work about the hotel. Two wealthy gentlemen were stopping at the hotel; so my uncle thought after his work was done at the barn, he would go in to hear those gentlemen talk a while. The conversation drifted to how hard it was to be poor. Mr. Moody said to my uncle, that is so, isn't it? Uncle said he didn't know, he had never had any experience. Many other incidents happened that I remember so well.

ALEX MOORE.

From a Little Pilot Mountain Girl.

Pilot Mtn., N. C., Feb. 11.

Dear Editors:

I am a little girl ten years old. I have dark hair and blue eyes. I weigh 75 pounds. I go to school most every day and like my teacher fine. My teacher's name is Miss Mamie Tharpe.

Maud Iddings is my desk mate.

We planning are a nice time the 22nd, George Washington's birthday.

I have a little brother and a little sister and all of us go to school.

I think it would be a good idea to have all the dogs killed that are running at large. The little seven-year old daughter of Mr. A. F. Fletcher was bitten by a maddog and didn't know it until last Monday; she went mad and died Tuesday morning at 3 o'clock. It was an awful death to die.

I will close with many good wishes to the Reporter.

Your little friend,

ETTA BOYLES.
