

WINSTON HAS FIRE CHARTER GRANTED

ONE FIREMAN IS KILLED FOR BIG UNION STORE AT KING

\$100,000 Worth of Property Destroyed Friday Night—Old Farmers Warehouse Burned.

Winston-Salem had a big fire Friday night in which about \$100,000 worth of property was destroyed and one fireman lost his life.

The old Farmers Warehouse property, which was some time ago fitted up for store rooms, was wiped out. There were ten or fifteen firms occupying the building. Among them were three wholesale grocery stores. Nearly all of the losses were partly covered by insurance.

Mr. Joseph Whitlow, a volunteer attached to the Winston Fire Department, was caught by a falling wall during the fire and almost instantly killed.

The old Farmers' Warehouse property was owned by Messrs. R. W. and P. A. Gorrell and Mrs. H. L. Riggins. The estimated worth of the property was \$20,000, with \$15,000 insurance.

Authorized Capital of the Company Is \$100,000—Work to Begin On Building At Once.

A company with an authorized capital of \$100,000, composed of members of the Farmers' Union, has been organized at King for the purpose of doing a general mercantile business. The charter for the business has already been granted.

The company will begin work on its building at once. It will be constructed cement blocks and will be 25x60 feet. Other building, for storage purposes, etc., will be erected a little later.

The officers and directors of the company are as follows.

President, S. K. Anderson; Vice-President, S. A. Hauser; Sec-Treas., Dr. J. W. Slate. Directors, Dr. J. W. Slate, W. T. Pulliam, S. T. Butner, I. D. Barr, S. K. Anderson, A. S. Marsh, C. F. Helsebeck and R. A. Petree.

Mr. Walter V. Bennet Makes Good Average at Winston.

Mr. Walter V. Bennett passed through Friday afternoon enroute home from Winton, where he sold a load of tobacco at an average of 22 cents. One grade of the load brought 50c.

Mr. Bennett is a good farmer, and believes in raising his home supplies at home. He says that he will advise all farmers to stick to the Union, and make all their meat and bread at home. After that, when they put in a tobacco crop, tend it good, and handle it nicely, and it will bring a good price.

Mr. Bennett was very happy over his average, and the Reporter man saw the glimpse of a \$100.00 bill snugly stowed away in his pocket book.
