

**TAXATION FOR ROADS.**

Nine Times Out of Ten the Fellow Who Does the Most Kicking, is the One Who Does the Least Paying.

Sandy Ridge, April 10.

Messrs. Editors: I have been reading your good editorial comments along the line of better roads and enjoy them very much.

I think if every citizen of Stokes county would only wake up to the sense of duty and give it the proper thought for one moment of time, that in a very short time we would have the thing going and very soon we would have the pleasure of going to market or to church or to school over good roads instead of the miserable, dreadful, muddy roads as usual.

Now, I know that some people object to the idea simply because they are afraid they will have a few cents more tax to pay and nine times out of every ten the man who kicks up the dust is the one who will not have to pay but very little more tax, and he could take that one-horse wagon of his, if he has one, and carry that \$8.00 tobacco of his to market instead of paying a large price to some one else to pull and tug it to market into one mud hole and out and then into another, or if he wanted to hire 2,000 pounds of anything hauled he could get it hauled at one load instead of two, and the trip would be much cheaper and he could take that money and pay his road tax for five years, and then carry home to the old woman a nice dress, and instead of "John, how much did the hauling cost you?" and how much have you got left?" she would be standing in the door smiling and say this is much more like living at home and boarding at the same place.

**WHO NEXT.**

(To be continued.)

It was very singular that the children of Mr. D. V. Carroll, of Mizpah, should have witnessed the burial of their grandfather and grandmother on the same day. Their mother's father, Mr. A. Lewis, died on Sunday afternoon the 9th inst., and on the Monday morning following, the 10th, their father's mother, Mrs. Minnie J. Carroll, passed away. Mrs. Carroll died suddenly, with something like apoplexy.

Mr. J. W. Ashby was here Saturday and reported that he saw a flock of wild geese pass over his house going north, which, he said, indicated warmer weather.

Misses Jettie and Bessie Morefield, of Sandy Ridge Route 1, paid a short visit to Danbury Tuesday afternoon.

**Scott's Emulsion**

is a wonderful food-medicine for all ages of mankind. It will make the delicate, sickly baby strong and well—will give the pale, anemic girl rosy cheeks and rich, red blood. It will put flesh on the bones of the tired, overworked, thin man, and will keep the aged man or woman in condition to resist colds or pneumonia in the winter.

**EASTER PROGRAM.**

At the Baptist Church, Walnut Cove, Monday Night, April 17.

Walnut Cove, April 18.—The people of Walnut Cove and vicinity witnessed at the Baptist church on Monday evening, April 17, a beautiful Easter program arranged by Mrs. R. Gray Tuttle assisted by the young people of the town.

The exercises were opened by a song, "The Victor King," after which reading and prayer by the pastor, Rev. J. B. Johnson.

Then followed the program: Chorus—"Shout Halleluyah." Welcome—By Cecil Davis and Gertrude Mitchell.

Wish—By Mr. Dora Davis. Chorus—By children. Solo—By Miss Mable Petree. "Rainbow O'er The Cross"—By eight girls.

Chorus—"Joy Cometh With The Morning Light."

Solo—By Mr. Nat Hedgecock. "Lilly Drill"—By eight girls.

Chorus—"Easter Bells are Ringing."

Quartet—By Mrs. Tuttle, Mr. J. R. Voss and Mr. and Mrs. Arthur Davis.

Scarf Drill—By Eight Girls. Chorus—"Song of Victory."

Duet—Mrs. Tuttle and Mr. A. W. Davis.

Tableaux—"Four Angels Came of Easter Tide"—By eight girls. Male Quartette—"Sweet Hour of Prayer."

The exercises were good from beginning to ending, and enjoyed by all present.

The manager should be congratulated; for to render such a splendid program successfully requires a great deal of tact and hard work.

**MEADOWS PUBLIC SCHOOL.**

Closed Monday With a Nice Entertainment—Patrons Pleased.

The Meadows public school, taught by Mrs. Dr. J. W. Neal and Miss Chattie Lasley, came to a close Monday with a nice entertainment. There was a large crowd present.

The exercises, which consisted principally of dialogs, recitations and mock-trials, were held both in the morning and afternoon, lasting about 6 hours. The porch of the school building was used as a stage, having been nicely curtained and decorated with cedar and other evergreens. A string band occupied one corner of the stage and rendered lively music between each number of the program.

At the noon hour each family brought out large baskets filled with the best of good things to eat and soon the scene reminded one of a Sunday School picnic.

Probably the most interesting features of the entertainment and the ones that attracted the most attention were the May-Pole dance and marching, which took place immediately after dinner.

Among other numbers of the program deserving special praise were a boxing match—"Jeffries and Johnson fight," dialogue—"Mischievous Nigger," "Medical Dispensary," "Funnygraph," and others.

The singing by the school was especially good. It was quite a touching scene, when the school came out on the stage and sang, "God Be With You 'Till We Meet Again."

At 4:30 o'clock a ball game between the Tuttle and Flat Shoal teams was pulled off, resulting in a score of 10 to 6 in favor of Tuttle.

Music for the occasion was furnished by the Meadows string band.

The patrons of the school express themselves as very much pleased with the school this term.

Prospects for a fair crop of fruit are good so far.

By All Means Have It Every Evening.

Pilot Mt., N. C., April 11.—Papa takes the Reporter and I like it fine.

Rev. F. S. Morton filled his regular appointment at Brims Grove Saturday and Sunday and also Sunday night. There was a large crowd out. Those who visited Misses Martha and Bertie Wilson were as follows: Misses Flora Sams, Effie Mitchell, Messrs. Jessie and Adam Hall, Claud Stone, Elijah Sams, Robt. Jessup, Jim Dunman and Dan Lynch. Joe Napier and several others all seemed to have a jolly time.

Sunday-school was organized the first Sunday in April. Hope it will be a good Sunday-school, and I know would best Sunday-school that they ever had if they would have it every Sunday evening and I am the one who wants it every evening and most everybody else at Brims Grove wants it every evening with the exception of a very few who want it every morning, but I think it will be the best to have it every evening on account of the women and girls having so much to do every morning that they can't get ready in time and it runs them too hard every Sunday morning. Some of them are afraid it will rain every evening and if it does you will not melt. I don't guess you are sugar nor salt, and I think it will be nice to have it every evening so the women and girls can get their dinner and all of them can eat and go to church afternoon, and if they have Sunday-school every morning they all get hungry and lots of the little children have so far to go when Sunday-school breaks in the hot sun shine, and they get hungry. It is the best to have it every evening, don't you folks join in with me? BIG OWL.
