

OLD SOLDIERS' DAY

DATE SOON TO BE FIXED

For the Annual Reunion of the Stokes County Ex-Confederate Soldiers—Chapter of Daughters of Confederacy to Be Organized.

Before long the date for the annual re-union of the ex-Confederate soldiers of Stokes county will be set, and the program of ceremonies arranged. Commandant W. W. King has regularly organized the camp, and it is now a part of the State organization.

At the next reunion a Chapter of Daughters of the Confederacy will be organized for the county, and a movement begun to raise funds to build a monument to the Stokes Confederate dead.

Due announcement will be made in the Reporter of the date and program of the reunion.

Obituary.

William Thomas Smith, son of G. W. and Susan Smith, died March 6, 1911, aged 33 years and 1 day.

In life he was an obedient son, a kind and loving husband and father, loved by all who knew him. Last August he made a profession of faith in Christ and was baptized into the membership of Oak Ridge Baptist Church.

During his last sickness he continually exhorted his relatives and friends to seek Christ assuring them that only in His service would they find "rest for the troubled soul." He often told his dear wife and people to weep not, for he feared not to die, only sorrowing that he must leave his loved ones, but always advised them to put their trust in God and meet him in a better world. A wife, two small sons, father, mother, one sister, two brothers and many other relatives and friends are left to mourn their loss. He was laid to rest at the family burial ground, beside little Ola May, his daughter who died a year ago, and we hope that they can now sing together the sweet songs she loved around the great white throne.

One by one earth's ties are broken,

As we see our love decay,
And the hopes so fondly cherished,

Brighten but to pass away.
One by one our hopes grow brighter,

As we near the shining shore.
For we know across the river,
Wait the loved ones gone before.

A FRIEND.

TO CAMP AT PIEDMONT

Large Party of Members of Winston-Salem Young Men's Christian Association Coming July 3rd.

Mr. Spring, director of athletics in the Y. M. C. A., Winston-Salem, spent the day at Piedmont Springs Thursday. The object of Mr. Spring's visit was to make arrangements for the "annual camping trip" of the Y. M. C. A. boys of Winston-Salem.

This was Mr. Spring's first visit to Piedmont and he was very much pleased with the place. The number of young men who will come along is not known but there will be quite a number of them. They expect to arrive at Piedmont about July 3rd.

J. M. Howell, a popular druggist of Greensburg, Ky., says, "We use Chamberlain's Cough Remedy in our own household and know it is excellent. For sale by all dealers."

Salem College Completes \$300,000 Endowment.

Winston-Salem, May 24.—An endowment fund of \$300,000 has just been raised for Salem college, the oldest educational institution for women in the south, according to the announcement made by President Howard Rondthaler at the commencement exercises today. The general education board of New York city gave \$100,000 of the amount, while Andrew Carnegie was the next largest donor, giving \$25,000.

For soreness of the muscles whether it is due to violent exercise or injury Chamberlain's Liniment is excellent. This Liniment is also highly esteemed for the relief it affords in cases of rheumatism. Sold by all dealers.

Mrs. Mary A. Martin.

Mrs. Mary A. Martin was born November 10, 1833, departed this life May 14, 1911, aged 77 years 6 months, and 3 days; was baptised into the fellowship of the Ayersville Baptist church Sunday, August 10, 1902, by Rev. J. B. Johnson of which she lived a consistent member until death called her away. A loved one from us has gone. She will be greatly missed in the home, the church and the community. She leaves three children, five grand-children and three great grandchildren, a large number of relatives and friends to mourn their loss, but we believe our loss is Heaven's gain. Her body was laid to rest in the family grave yard. The funeral services were conducted by Rev. T. J. Glenn and the writer. The large congregation that gathered at the funeral and the grave showed the high esteem in which Sister Martin was held. May this providence of God be the means of drawing us all closer to Him who doeth all things well and may we all be prepared to meet her in Heaven where parting is no more, and sorrow never comes.

CATARRH CANNOT BE CURED

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitution disease, and in order to cure it you must take internal remedies. Hall's Catarrh cure is taken internally, and acts directly on the blood and mucus surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in the country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free.

Take Hill's Family Pills for constipation.

DO GHOSTS HANT SWAMPS.

No Never. Its foolish to fear a fancied evil, when there are deadly perils to guard against in swamps and marshes, bayous and lowlands. These are the malaria germs that causes ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system, wrote Wm. Fretwell, of Lucama, N. C., 'and I've had fine health every since.' Use this safe, remedy only. 50c at all druggists.

TO CURE SORE BUNIONS
Treatment Marvelously Quick for This and All Foot Troubles.

"Dissolve two tablespoonfuls of Calocide compound in a basin of hot water; soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give desired results.) Repeat this each night until cure is permanent." All pain and inflammation is drawn out instantly and the bunion soon is reduced to normal size. Corns and callouses can be peeled right off and will stay off. Sore, tender feet and smelly, sweaty feet need but a few treatments. A twenty-five cent package of Calocide is usually sufficient to put the worst feet in fine condition. Calocide is no longer confined to only the doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. This will prove a welcome item to persons who have been vainly trying to cure their foot troubles with ineffective tablets and foot powders.
