## POOLING TOBACCO

### MEETING AT PRESTONVILLE

Rev. C. W. Glidewell Reports Success In His Efforts to Pledge the Crop—Appointments.

Walnut Cove, July 3.

Mr. Editor:

The Prestonville local of the Farmers' Union had a meeting at Prestonville on Saturday, July 1st. There was at least 600 people present, and ice cream and cake were served by the ladies. Speeches were made by the writer and P. W. Glidewell on the purposes of the Union and on the pooling system. This was one of the most enthusiastic meetings ever held in the county and at the conclusion of the speeches pledges were signed by the members pooling at least seventy-five thousand pounds of tobacco. Many others in that community have promised to pool. The battle is won if the people continue to pledge as they have done so far. I find the people of the county are thoroughly aroused to action and we are going to pool the majority of the best farmers.

Please call the attention of the farmers through your paper to the following appointments. I will meet the farmers at these places with pledges to sign:

Hot and Dry Weather—Interesting Items.

Germanton Route 1, July 3.

Mr. Editor:

Will you please allow me space for a few lines.

It is still hot and dry weather in this part of the county. It is very discouraging to the farmers. But, dear farmers, look on the bright side; it does not pay to be blue.

We are glad to say that Miss Nannie Rutledge, who has been quite ill for several weeks, is improving. Also Miss Pearl Boles, who has been very sick several days, is on the road to recovery.

Mr. and Mrs. W. M. Baker and Miss Maggie Baker visited at A. A. Rutledge's Saturday afternoon.

Mr. and Mrs. J. G. Rutledge visited Mrs. Rutledge's sister, J. E. Wall, Saturday night and Sunday.

Among those present at A. H. Rutledge's Sunday were Mr. and Mrs. W. A. Boles, Mr. and Mrs. James Boles, Miss Mary Flinn, Messrs. G. W. Newsom, Frank Banner, James Merritt, John Fansler, Roger Ferguson. All had a very nice time.

The Sunday-school at Friendship is progressing nicely with 110 members. The average has been quite short on account of smallpox, but that has about blown over now. Hope we will have better attendance in the future. Everybody come out and take a part—help to push the good work forward.

There will be an ice cream supper at Mr. J. E. Wall's home Saturday night, July 8th, furnished by Messrs. J. E. Wall and J. G. Rutledge, also a string band which will furnish good music. Everybody cordially invited to attend. Boys, come and bring your girl friends. It will make the girls like you better, and I am sure you will have a nice time.

Wishing the Editor and the many readers of the dear old Reporter a happy 4th.

### SURPY AND STOKES CROPS

Farmers At Oak Grove In Better Spirits Owing To Recent Showers—Personals.

Oak Grove, July 3.—The farmers of this and the surrounding community are in much better spirit at this writing, owing to the recent showers that have been so badly needed, making the people realize that the alwise God had not turned a deaf ear to their wants and petitions that have been so earnestly manifested.

The writer had the pleasure of conversing with several of the most prominent citizens of Stokes and Surry counties and it is estimated that the tobacco crop will be fully 35 per cent. short. The corn crop of Stokes looks promising considering the recent drouth, while Surry can boast of a bumper crop, the best in many years. The wheat crop is not as good as was thought to be in early spring. It is estimated that it will be 25 per cent. short owing to so much smut.

## The Case of John Joyce, Alias Caleb Hanes.

Greensboro, June 24. — The trial of John Joyce, alias Caleb Hanes, a white man, charged with criminal assault upon Maggie Faucette, a white girl, near Brown Summit, will likely be given to the jury about 6 o'clock this afternoon. A conviction is predicted.

In the hearing this morning it developed that the true name of Hanes is John Joyce and that he is from Stokes county, where he has a wife living. It was also proven that the defendant fled from Stokes county because of a difficulty in which he assaulted a neighbor with a deadly weapon. A warrant came to Sheriff Jones from Stokes several months ago requesting that a person by the name of John Joyce be arrested on the charge as above stated. The county officers could not find such a person and the warrant was returned. Caleb Hanes and John Joyce is therefore the same person and it seems after fleeing from Stokes he changed his name and that this was the reason he refused to tell the officers where he was from after his arrest.

Maggie Faucette, the victim of the crime, was the first witness called. She told of first meeting the defendant and seeing him frequently at the home of Mr. Shaw, a neighbor, whom she visited frequently. She then told of their friendship ripening into love and an agreement to run away to Danville and get married, of the plans for the elopement on Tuesday night of last week, of their leaving home and proceeding a portion of the way to Brown Summit, where they were to board a train for Danville, of Hanes stopping suddenly in the density of the woods and compelling her to remain with him over night and submitting to his brutish passions, of his promise to marry her on Sunday if she would return to Mr. Shaw's and tell them that they were married, of their living together at the Shaw home as man and wife for two days, of the developments that led to the arrest of Hanes and her divulging to Mrs. Shaw and Justice Moore the horrors of the night in the woods.

On cross-examination the witness told the same story, despite the efforts of the defense to weaken her testimony. The only points brought out that would weaken the contentions of the prosecution were that she was not afraid of Hanes and that after his diabolic crime had been committed she made no attempt to release herself from his embrace until he voluntarily released her. She admitted going to the jail yesterday morning at the request of Hanes and making to him the statement that she was still willing to marry him.

Right in your busiest season when you have the least time to spare you are most likely to take diarrhoea and lose several days' time, unless you have Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand and take a dose on the first appearance of the disease. For sale by all dealers.

## PIEDMONT VISITORS

### LARGE CROWDS ATTENDING

The Fourth Celebrated At The Popular Resort By Brilliant Display Of Fireworks.

Piedmont Springs, Danbury, N. C., July 4.—The Glorious Fourth was celebrated here tonight by a brilliant pageant of fireworks given by Miss Anna Buxton, of Winston-Salem, in honor of her house party from Winston-Salem and other cities. Miss Buxton is the very popular daughter of Hon. J. C. Buxton, and has with her wit and gaiety and personal attraction added greatly to the pleasures of the season at Piedmont. She has given a number of social functions which were largely attended and greatly enjoyed.

Master Phin Horton, the bright young son of Dr. and Mrs. Phin Horton, of Winston-Salem, who are spending the season at Piedmont Hotel, came in from a sally into the highway Sunday bearing a large and dangerous looking rattlesnake, which had ten rattles. The reptile was dead, however, when the guests rushed out to see it, and Phin was given an ovation, and proclaimed the hero of the season.

One of the most enjoyable incidents of the week was a foot race between Miss Anna Buxton, of Winston-Salem, and Big Tom Fleshman, the fat and jolly drummer boy, of Kernersville. It was a 100-yard dash, and Messrs. Coleman and Pepper were the distance-markers, and the butt end of the joke.

The season at Piedmont is very gay this summer, large crowds attending the hotel, while all the cottages are full. Dancing, fishing, rowing, mountain trips, and social events are all the rage.

The following new arrivals are registered at Piedmont this week: Mr. and Mrs. W. Reade Johnson, Dr. Phin Horton and Mrs. Horton, and son, Phin Horton, Jr., Mrs. A. F.
