

STOKES AT WINSTON

CITIZENS RESIDING THERE

Who Were Born and Raised In this County—Nice Words From The Winston Sentinel.

If the greatest asset that a community possesses is its men, as was said by a contemporary a short time ago, then Winston-Salem owes a great debt of gratitude to Stokes county, which has contributed so many valuable citizens to this city.

DOCTORS FAILED. RESTORED BY PERUNA

Catarrh of the Lungs Threatened Her Life

Miss Ninette Porter, Braintree, Vermont, writes: "I have been cured by Peruna. I had several hemorrhages of the lungs. The doctors did not help me much and would never have cured me. I saw a testimonial in a Peruna almanac of a case similar to mine, and I commenced using it. I was not able to wait on myself when I began using it, I gained very slowly at first, but I could see that it was helping me. After I had taken it a while I commenced to raise up a stringy, sticky substance from my lungs. This grew less and less in quantity as I continued the treatment. I grew more fleshy than I had been for a long time, and now I call myself well."

MULE RAN AWAY.

Mrs. James F. Smith Quite Seriously Hurt, But Now About Recovered.

Mrs. James F. Smith, of Meadows Route 1, who lives a few miles below Danbury on the river, while out driving a few days ago with her two small children, was thrown from the vehicle by the mule running away, and quite seriously hurt. A gash several inches in diameter was cut in her scalp, while she sustained painful bruises in the shoulder and other parts of the body. The Reporter is glad that Mrs. Smith, who has been under the care of a physician, is about recovered from the accident now, but it was quite a close call.

ESCAPED WITH HIS LIFE.

"Twenty-one years ago I an awful death," writes, H. B. Martin, Port Herrelson, S. C. "Doctors said I had consumption and the dreadful cough I had looked like it, sure enough. I tried everything, I could hear of, for my cough and was under the treatment of the best doctor in Georgetown, S. C. for a year, but could get no relief. A friend advised me to try Dr. King's New Discovery. I did so, and was completely cured. I feel that I owe my life to this great throat and lung cure." Its positively guaranteed for coughs, colds and all bronchial affections. 50c & \$1.00 Trial bottle free at all Druggists.

Major Scales, a Gentleman of the Old School

Major J. S. Scales, who returned a few days ago from his old home at Sandy Ridge, where he spent a few days with relatives, left last Friday for Buffalo Springs, Va. The Major will spend several weeks at Buffalo, and all of his hundreds of friends hope that his vacation may be a pleasant and a profitable one. Major Scales is a tobacco man from "away back." While he is yet in the prime of manhood, he was one of the first men to engage in the tobacco business in Winston. When quite a young man he came here from Stokes county, and in a small way entered into the warehouse business. He has been connected with the same concern for all these years. He is also a member of the firm of Lippert-Scales Co.

Major Scales is not only a successful business man, but he is a gentleman of the highest character, and there is not a man, young or old, who knows him, who does not have for him the highest respect and admiration. —Southern Tobacco Journal.

SPRING BRINGS SORE FEET HERE IS A POSITIVE CURE

With the advent of warm weather comes foot troubles to thousands of people. The increased temperature and heaviness of the atmosphere causes swelling and excess perspiration. This brings on a series of foot troubles. The treatment given below will be welcomed with joy by an army of sufferers. It acts like magic. "Dissolve two tablespoonfuls of Calocide compound in a basin of hot water; soak the feet in this for full fifteen minutes, gently massaging the sore parts. Less time will not give the desired results." Repeat this each night until the cure is permanent. All soreness disappears immediately. Corns and callouses can be peeled right off. Bunions are reduced to normal and the inflammation drawn out. Sweaty and smelly feet, tender and swollen feet need but a few treatments. This Calocide is a remarkable drug. Formerly used only by doctors but any druggist now has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is claimed to cure the worst feet.
