

**CEDRON SEED PLANT**  
 In the tropics of America many natives are using the seeds of this plant, Cedron seed, as a medicine that has valuable curative powers. But few drug stores carry this seed, owing to the high cost of the article.

This country is a large consumer of this seed because it enters into the famous ointment remedy, Peruna, sold the world over.

**Pinnacle Route 2.**

Pinnacle Route 2, Aug. 3.—A protracted meeting will begin at Brim's Grove next Sunday.

The weather is still dry in this section. Crops are suffering greatly. Unless rain comes soon the corn and tobacco will be worthless.

Prof. T. J. Covington and Mr. R. H. Mitchell, Jr. left today for Kernersville to attend the annual Missionary Baptist Association delegates representing Brim's Grove church.

Rev. Newell Mathews closed a meeting that had been holding 14 days at Gibson's school house last Friday. Several professions were made and three united themselves with the church.

The people of this section are trying to get a graded school for Brim's.

Messrs. Thomas Covington and Rober Mitchell gave an ice cream supper at Mr. E. A. Covington's Saturday night. Among those present were Mr. and Mrs. A. J. Hall, Misses Vadie and Rebecca Hall, Georgia Hill, Hessie Wilson, and several others.

Miss Nannie Gordon will return from St. Leo's Hospital next Saturday. She has been there the past two months for operations. She is the 11-year-old daughter of Mr. and Mrs. D. Wick Gordon. The death of her father, which occurred a month ago, is still kept a secret from her.

Several of this section are planning to spend August 12 at Danbury.

Tobacco worms are reported to be very plentiful, which means a heavy crop of August and September worms. A May and June worm make the August and September fly. Better get an Acme Worming Machine and be ready. They will worm as much tobacco as ten men. It does not injure tobacco. Price, \$1.90. For further information address ACME DISTRIBUTING CO., Reidsville, N. C.

Mr. J. M. Shelton, of Sanday Ridge, was among the visitor here Monday.

**ACCUSED OF STEALING**

E. E. Chamberlain, of Clinton, Me., boldly accuses Bucklen's Arnica Salve of stealing—the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says, "as a healing remedy its equal don't exist." Only 25c at all Druggists.

**COMPOUND CALLOUSES**

Tells Splendid Cure for Them and All Foot Troubles.

A compound callous is the secondary stage when it grows inward and presses on the nerves, causing intense pain. Callouses never cure themselves but always get worse, sometimes irritating the whole nervous system. The following is a most effective and speedy cure "Dissolve two tablespoonfuls of Calocide in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give the desired results.) The soreness will disappear immediately and the callous can be easily peeled off. Repeat this for several nights. A little olive oil rubbed into skin is very beneficial."

This Calocide is a very remarkable preparation for all foot ailments. Bunions, corns and ingrowing nails get instant relief and are soon cured. Bad smelling and sore feet need but a few treatments. Calocide is no longer confined to doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is usually enough to put the worst feet in fine condition. It will prove a blessing to persons who have been vainly trying ineffectual tablets and foot powders.

**HER FRIEND'S GOOD ADVICE**

The Results Made This Newburg Lady Glad She Followed Suggestion.

Newburg, Ala.—"For more than a year," writes Myrtle Cothrum, of this place, "I suffered with terrible pains in my back and head. I had a sallow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief.

I shall always praise Cardui to sick and suffering women." Cardui is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old. Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution.
