Party of Walnut Cove People Spend the Day at Piedmont — Items and Personals.

Walnut Cove, Aug. 15.-Warm, warmer, warmest. The past week was indeed the very warmest weather of the season so far, yet our little village was not asleep, and some of the younger set seemed quite as wide awake as if the cooler days of October were here. One never-to-be forgotten day was last Friday when a party of six drove to Piedmont, leaving Walnut Cove quite early while the melting rays of Old Sol were feebly stretching across the hilltops. On and on we drove ed through here Saturday enroute The corn crop is the largest in over pleasant, though, in some to Piedmont. places rough roads, reaching the quaint little town of Danbury about 8:40 P. ### THIRTY YEARS TOGETHER

Thirty years of association-think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. Ss there's no guess-work in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once it finds entrance in a home you can't pry it out. Many families have used it forty years. It's the most infallible throat and lung medicine on earth. Unequaled for lagrippe, asthma. hay-fever, croup, quinsy or sore lungs. Price 50c \$1,00.
