### LETTER FROM KANSAS.

Former Stokes Citizen Writes About Far West.

Edgerton, Kans., Nov. 9.

Dear Editor:

I was very much pleased to read Mr. Moran's letter. I did not know just where he was located until I read his letter. I have been in Missouri, and I like Kansas much better.

I am about 45 miles south west of Kansas City. The land sells from \$60 to \$150 per acre, and we get as high as 80 bushels of oats, 70 bushels of corn, 45 to 50 bushels of wheat, 100 to 250 bushels of potatoes, 1 1/2 to 2 tons of Alfalfa per acre. The alfalfa is mowed as high as five times in one year. We also have lots of bluegrass and prairie hay.

Since the death of my father I have been successful in getting the rest of the family out here and I am glad to say that they all are liking fine. Although I am like Mr. Moran says, "I don't want to make my home there any more," but I do like to get the news each week, and the best way I find is to read the Reporter, and I am sending a draft to continue the subscription of my paper and wish that more of the Stokes people would give lots of good news from different sections of the county.

Wishing the Reporter and its readers much success.

WILLIAM ORE.

Chamberlain's Stomach and Liver Tablets do not sicken or gripe, and may be taken with perfect safety by the most delicate woman or the youngest child. The old and feeble will also find them a most suitable remedy for aiding and strengthening their weakened digestion and for regulating the bowels. For sale by all dealers.

Mr. Jas. Matthews, of Walnut Cove Route 2, tells the Reporter that he has captured fifty-two 'possums this fall.

### FROM FRANCISCO.

Rev. Bowers Given A Pounding—Mrs. Pete Slate Ill—Other News.

Francisco, Nov. 12.—Th farmers in this section are not making much progress sowing grain on account of so much rain. They are enjoying possum hunting. I can hear the horns and dogs nearly every night.

The many friends Rev. Bowers, the pastor of Asbury church, gave him a pound party. Young and old went and carried something as a token of friendship as he is a stranger and is going to move into the new parsonage at Asbury. Music was furnished by a string band. He seemed very grateful for their gifts.

Elder F. P. Stone attended the association near Mt. Airy Friday, Saturday and Sunday.

Mrs. Pete Slate is sick at this writing.

Prof. J. T. Smith attended our school Thursday and seemed well pleased with the progress.

We learned there was a murder at Ararat Station, Surry county, last Tuesday.

Why is it that so many of our good citizens advocate the whiskey traffic when it is the cause of so many accidents.

"I am pleased to recommend Chamberlain's Cough Remedy as the best thing I know of and best remedy for coughs, colds and bronchial trouble," writes Mrs. L. B. Arnold of Denver, Col. "We have used it repeatedly and it has never failed to give relief." For sale by all dealers

## FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die.

At last my husband got me a bottle of Cardul, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well.

I wish every lady, suffering from womanly trouble, would try Cardul. It is the best medicine I know of. It did me more good than anything I ever used."

Cardul is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years.

Your druggist sells it. Please try it. N. B.—Write for Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

Messrs. J. H. Matthews and J. A. Hicks, of Walnut Cove Route 1, were here Friday. Mr. Matthews will remove his saw mill to the Meadows section soon.

Miss Blanche Pepper, who is teaching at Meadows, spent Saturday and Sunday at her home here. She was accompanied by Miss Minnie Ball, of Elkin, who is teaching with her.
