THE OLD TIME FRUIT.

Advice to the Stokes County Orchards How to Grow It—A Spray Pump Is Necessary.

There is no one thing that adds more to pleasure and health on the farm than an abundance of good fruit, but the idea has sprung up in some sections that good fruit can no longer be grown. This is all a mistake, for there is perhaps no part of the South where an abundance of good fruit cannot be grown with as little care and expense as anything else of equal value requires to produce. It is true, perhaps, that if allowed to take care of itself the fruit will not be as it was in grandfather's time. It will certainly not be as good, if neglected, as the fruit we ate in our boyhood days seemed to us; but any one who will do the simple things necessary, and they are not expensive or difficult, can have as good fruit as was ever raised in the South.

The things necessary are to put the trees on good rich land or fertilize them; keep the trees properly pruned and use the spray pump and other means of combatting insect pests.

Without a spray pump you can not raise good fruit in the South, or any where else. Now is the time to begin the spraying. There are some fine orchards in Stokes county especially in Brown Mt., and in the northern sections of the county. All that is needed is some good roads to haul the fruit to market over.

Many things may come to the one who waits, but better things come to the chap who waits on himself.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. THE EDITOR'S SONG.

How dear to our heart is the steady subscriber,
Who pays in advance at the birth of each year;
Who lays down his money and offers it gladly,
And casts 'round the office a halo o' cheer!

Who never says, "Stop it: I cannot afford it!"
Or, "I'm getting more papers than I can read."
But always says, "Send it: the family all like it—
In fact, we think it a household need."

How welcome he is when he steps in the sanctum;
How he makes our hearts throb; how he makes our eyes dance.
We outwardly thank him—we inwardly bless him—
The steady subscriber who pays in advance.—Ex.
