\$100 REWARD \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## Danbury Route 1.

Danbury Route 1, March 26.—As I have not seen anything from Lawsonville for some time I will write.

We are having some fine spring days, and everything is as lively as it can be.

Our subscription school, taught by W. M. Fulp, has enrolled 41 students, and is progressing nicely. The most advanced students are Misses Ruth, Sadie and Mary Pringle, Bessie and Erie Moore, Lucy Lackey and Annie and Thronie Hylton.

Several young men called on the Misses Pringle Sunday afternoon, their names being as follows: Messrs. Sam Taylor, W. M. Fulp, Gabe Hylton, Sam Brown and James Corn. Messrs. W. M. Fulp and Fred Smith called on Misses Ronie and Taylor last Wednesday night, and reported a nice time.

Messrs. Percy Sheppard and Gid Moore, who are attending school at Cross Roads, spent Saturday and Sunday at home.

Mr. Fred Smith happened to a sad accident while hauling straw for Mr. E. C. Sheppard. He fell off the wagon, landing heels up and head down. It is not known whether he broke his neck or not.

Miss Roxie Taylor is looking very sad as Mr. Fulp stops at Dr. Pringle's every time he starts to see her.

Mr. Mall Taylor has returned home after a few months stay at the excellent school of Central Academy, at Cross Roads. We are glad to have him in the neighborhood again.

## Candidates For Congress In the Fifth District.

That Chas. M. Stedman, the present congressman from this district, would most certainly be a candidate for renomination was the emphatic statement made by A. Wayland Cooke, who managed Congressman Stedman's campaign. Mr. Cooke said so far as he knew, there would be no opposition in the Democratic ranks to his return to Washington.

As to whom the Republican nominee will be, nothing has been said. There are many who believe David Blair, of Winston, who ran against Major Stedman last time, will be urged to run again. Just how Mr. Blair stands is not known, and whether any other Republican has been considered has not been announced.—Greensboro News.

Mr. Julius Young has opened a store in the McCanless building just east of the court house here.

## A Nervous Woman Finds Relief After Many Years

Women who suffer from extreme nervousness, often endure much suffering before finding any relief. Mrs. Daniel Kintner, of Defiance, O., had such an experience, regarding which she says:

"I had stomach trouble when I was eighteen years old that broke down my health, and for years I suffered with nervousness, headache, indigestion and nervous spasms. The spasms got so bad I would have them three or four times a week. After trying nearly every remedy recommended, I began taking Dr. Miles' Nervine, and I must say it helped me wonderfully. I have had no severe nervousness for several years."

MRS. DAN KINTNER,  
1002 Pleasant St., Defiance, O.

Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nervine has proven its value in such cases so many times that it is unnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit.

# WITHOUT MAIL

FROM THURSDAY TO MONDAY

**Protracted Meeting Postponed—Musical Recital—Other News of Germanton.**

Germanton, Mar. 21.—The creeks here Friday reached the highest water mark that has ever been known before and owing to the dislocation of a long part of the track with several washed away trestles no trains passed from Thursday until Monday. All connection with the outside world seemed cut off, but when the work-train came Monday and brought five well filled mail bags the people smiled and volunteers were plentiful to help bring the news into town.

The protracted meeting which was to begin at the Baptist church last Sunday, has been postponed on account of the bad roads and the out-of-town people not being able to attend. Mr. Crews will have Mr. Keaton, of Winston, to help in the meeting. Mr. W. S. Chaffin, of Whit-

taker, is spending the week with relatives in town.

Mr. Frank Stonestreet, representative of the Kurfees Paint Co., spent last night with his uncle, Mr. John W. Kurfees.

Mr. P. H. Hill will leave in a few days for Rocky Mount, N. C., where he is to take a position.

Mrs. Chap Bodenheimer spent Sunday with Mrs. H. McGee.

Mr. Sanders Rierson, of Walnut Cove, was in town this week to see his uncle, Mr. L. M. McKengie.

Miss Corrinne Tucker will give the next public recital in the music room at the Academy Friday afternoon at 2:30 o'clock. Everybody is invited to attend.

Misses Eliza Sue Poindexter, Fannie Davis, Sarah Styers and Corinne Tucker attended the "bargain sale" in Winston-Salem last week. Their purchases consist of two thimbles, three yards of lace and a pair of silk shoe laces.

Miss Linda Gibson has been suffering with neuralgia for some time.

Mr. Grover Tigg, of Winston, returned to his home last Tuesday, after visiting his uncle, Mr. F. D. Myers.
