**W. E. FINNIX OF REDSVILLE**

**Rockingham County's Most Popular Citizen and Officer Passes**

Redsville, May 5. Sheriff M. Frank Finnix died Saturday night at 10:10 after an illness of only two days with spasmodic asthma and uraemic poisoning. Sheriff Finnix's administration was so satisfactory that he was re-nominated in 1904 and in 1905. In 1905 he declined to stand for a re-nomination, but in 1906 the Democracy named him and he was re-nominated and elected. He actively entered the campaign and made hundreds of calls for the Democratic ticket, and was voluntarily re-nominated by over 700 votes, although the Republicans had managed for a number of years to get the next papers which paid him for the same office by over 400 majority in the county. He is a native of this section, and has been in the Danbury area for some time. He is a well-known figure in the Danbury community, and his services are expected to be of great benefit to the county.

**ALLENS CALL IN FACE OF DAMNING EVIDENCE**

**Editor Johnson Gives Some First Hand News from Trial of Outlaws**

Editor J. E. Johnson, of the Mt. Airy News, has just returned from Wytheville, Virginia, where had been to get some news first-hand from the Allen trial now in progress. He said that there were a dozen or more newspaper men on the job, and that the trial was progressing nicely with no evidences of excitement. He also said that the sentiment in that locality was very much against the Allens, and that capital punishment for those of the gang now on trial would not surprise him in the least. He said that the men now on trial, and especially Floyd Allen, seemed very calm and confident, notwithstanding the damning evidence being submitted against them.

**MANY CONVICTS SENT OFF**

To Build Roads In Rockingham. While Home Wallowes In the Mud—Strong Criticism of County Authorities. The spectacle of the prisoners, sentenced at this term of court to the Rockingham roads, being sent out of the county this week when our own roads are in such a shameful and disgraceful condition, is widely commented upon by many people in town yesterday and today. The county authorities were seriously criticised by visitors and home people alike, it being asserted that if Rockingham could afford the expense of sending after these convicts, to build roads in their own county, that it seems we could afford to hire a man to guard them while they at least made it safe for travel on our own roads. The matter is called to the Reporter's attention by a large number of people, and we are requested to focus the public's attention on so remarkable a situation. Easy Enough. When an object moving with a great speed of rapidity is suddenly caught in the grip of an emergency, and the authorities appear to be puzzled by the collapse, the common sense idea will develop the solution without any discussion.

**SCHOOL ELECTION WANTED**

**Board of Education Will Be Asked To Lay off Special School District in Yadkin Township**

Messrs. D. V. Carroll, W. H. Slate and other citizens of Mizpah were here Monday for the purpose of asking the Board of Education to lay out a special school district in Yadkin township and allow the citizens to vote on a special school tax. On account of the fact that a quorum was not present the Board of Education did not meet and the matter was postponed until the Board can hold a meeting. The special district when laid off will embrace the village of Mizpah and considerable territory in that vicinity and the election will very likely result in giving the citizens a special school tax. Republican Ticket. Editor Reporter: Please allow me to suggest a ticket which will command the hearty support of the Republicans of Stokes county: For Sheriff—Chap. Bodenheimer. For Register—Clarence Fair. For the Senate—Edwin Kiser. For the House—H. McGee. For Commissioners—D. V. Carroll, J. M. Fagg, R. H. R. Blair. Respectfully submitted to the Republican county convention. STOKES REPUBLICAN.
