

FROM D. M. KYLE.

He Suggests a Ticket For the Consideration Of Stokes Republicans.

King, June 21

Mr. Editor:

Being an observer of politics for the past 20 years and seeing the corruption that exists in the two old parties, I am convinced that there is a very strong sentiment among the sober thinking voters in the two old parties, for the formation of a new party as outlined by Mr. Roosevelt, who was nominated at Chicago, to be its first Standard Bearer for President of the United States. Now, I am satisfied that Mr. Roosevelt is the choice of 90 per cent. of the Republicans for President, and there are lots of Democrats who would be only too glad to come over into the new party, and if we will nominate a good strong county ticket we will be winners from the start.

Now, I suggest to the voters of the county the following ticket for their consideration and I am satisfied that they can win out over both old parties, to wit: J. W. Kurfies, House Representative; R. L. Nunn, Senator; A. F. Christian, Sheriff; R. A. Hedgecock, Register of Deeds; James A. Fayer, Treasurer; Joseph Martin, Edwin Kiser and Charlie Bowman, Commissioners; J. D. Young, Coroner.

I would like to hear through your valuable paper what other

voters think about the matter, and when would be the proper time to meet and nominate a ticket and perfect our organization.

MIZPAH NEWS.

Children's Day Postponed On Account Of Measles—Wedding Bells Expected.

Mizpah, June 21.—The children's Day will be postponed at Pine Log until later on account of so many measles. There is measles at Mr. and Mrs. J. W. Neal's, Mr. J. L. and G. R. Meadow's and Mr. T. E. Tillotson's and several families are expected to take them.

Tobacco crops are good in this section, but the wheat crop is sorry.

The wedding bells are expected to ring over about Mr. W. Y. Gordon's, as Mr. Ray Johnson and Mr. J. H. Baker calls right often, but the writer is inclined to think that as long as they both go with the same girl there isn't much danger of a wedding.

In regard to the S. S. at Pine Log we have had a good Sunday school and let's not let the measles break it up. Let's press forward toward the goal.

Will close with best wishes to the Reporter's many readers.

Mr. J. W. Hall Suggested For the Legislature

Meadows, June 25.

Messes, Editors:

As the Republican convention is near at hand and as there is no one spoken of for the House I would like to shout the name of Mr. John W. Hall, of Danbury, to represent us in the next Legislature. As to my judgment we can't select a better man anywhere in the county who is well qualified and a good campaigner.

He was brought home and a physician summoned. Examination showed no bones broken, but several severe bruises.
