A pretty wedding was solemnized last Sunday on Germanton Route 1 when Miss Mary Gordon became the bride of Mr. W. W. Boyles. The ceremony was performed at the home of the bride's parents, and was attended by a number of relatives and friends of the young couple.

Miss Gordon is the popular and accomplished young daughter of Mr. and Mrs. W. Y. Gordon, who live on Germanton Route 1, and are among that section's most prominent people, while Mr. Boyles is a member of the firm of Boyles Bros., the well known clothing men, who operate large stores both at Winston-Salem and Reidsville. Mr. Boyles resides at Reidsville, and is manager of the store of Boyles Bros. at that place. He is formerly of this county.

The young couple are held in high esteem by a large circle of friends who wish them much happiness.

### J. Nick Slawter Dead.

On last Wednesday afternoon, at 3 o'clock, at his home four miles from this city J. Nick Slawter, an aged and well known citizen, passed away as a result of dropsy after a sickness of several months. While his death was expected it came as a shock to those who knew him for he was a familiar figure on the streets of this city.

He was born in Stokes county seventy-eight years ago, and until a few months ago, maintained that rugged health and vigor that had characterized his entire life for he was a giant in stature and possessed a rugged but strong intellect. In early life he was married to Miss Edna Smith and by that union children survive. They are Mesdames J. H. Philman, of Florida, J. E. Hegler, of South Carolina, T. M. Everett, and George Slawter, of this city, all of whom were at his side when the end came. He was afterwards married to Miss Dorothy Griggs, of Henry County, Va., and she survives him.

In 1861 he went into the army of the Confederacy and remained in the terrible struggle until Lee tendered his sword to the victorious army and no braver soldier or loyal comrade ever donned the grey. In 1872 he he moved to this county where he has made a success as a planter and a citizen.

The funeral which was conducted at Salem church, by Rev. D. Vance Price, was largely attended attesting his popularity as a neighbor. In his passing this section loses an honest man of that old school whose word was as good as his bond and he will be greatly missed by those who knew and fully appreciated his splendid qualities.

## CORNELIUS A. MITCHELL.

Cornelius Anderson Mitchell, son of Wesley and Mary J. Mitchell, of Dillard, N. C., born Sept. 30th, 1866, died Aug. 9th, 1912, aged 45 years, 10 months and 10 days.

He united with the Missionary Baptist church at Oak Grove in 1896 and lived a consistent and worthy member until death.

He was married Oct. 22nd, 1907, to Miss Addie Goolsby, of Rockingham county. To this union was born three boy children, the youngest a baby of two months all surviving together with his aged father and mother and one sister, Mrs. John Willis, to mourn his departure.

He had been quite sick since last October with rheumatism and complications but bore his great suffering with much fortitude and christian resignation, he he took treatment a short while at Greensboro under D. Carlson and was also treated by Drs. Ellington and Taylor and had the very best attention at home by his loving wife and his father and mother and many friends, but all could not avail to stay the cold icy hands of death. A few days before his death he said he was willing to go and felt that all was well, and the good Lord whom he trusted would do right.

He had been engaged actively and successfully in a mercantile and sawmilling business several years and was popular with his patrons and enjoyed the esteem and confidence of people wherever he was known.

A splendid business man and an upright christian man has departed this life leaving many friends and relatives to mourn his death. May the Lord bless the bereaved widow and children.

## TOBACCO BURNED

### JEFF RUTLEDGE LOSES A BARN

Crops Being Injured By the Severe Drouth - Very Little Sickness Among the People - Other News of King Route 2.

King Route 2, Sept. 9. - Cutting and curing tobacco is all the go now-a-days, and some report very good cures. The long dry spell has cut the crops very short. The hail, wind and rain storm that passed through this section a few days ago did much damage to the tobacco crops. Some of the farmers have sold some primings and are very well pleased with prices. Owing to the dry weather, there is but little wheat land being turned, some say that they are nearly minus a wheat crop, and the good women are complaining nothing to cook. The grass is drying up in the pastures, and there is not much milk and butter, and the chickens are the main thing for something to eat.

There is not much sickness in this section at present; there is a lot of visiting and it's a good time for that; it is not too cold nor too muddy. Among those that attended church at Brim Grove on last Sunday were Messrs. J. H. Gibson, Jim Boyles, R. G. Gentry, G. W. Smith, and R. E. Boyles. All reported a nice time and good preaching by Rev. Beamer.

Mr. Jeff Rutledge, a prominent farmer who resides near King, lost a good barn of tobacco by fire on last Saturday night.

The writer extends congratulations to Mr. and Mrs. W. W. Boyles, of Reidsville. May their life be one of peace, joy and happiness.

Mr. C. H. Lunsford, of King 2, arrived home last night with a drove of mules and horses which he purchased at Galax, Va.

### SCRIBBLER.

### Mr. Reynolds of Walnut Cove Talks.

Mr. R. F. Reynolds, editor and publisher of the Saturday News, Walnut Cove, recently stated that he did not believe that the Rooseveltites could muster more than a hundred votes in Stokes county. He says that there is some talk of a third party convention, and a progressive ticket for the county. The leaders, however, have not given out anything definite as to what they intend to do.

Every year, in many parts of the county, thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. A better way - the way of multitudes is to use Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip croup, whooping-cough and sore lungs make it a positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Tin cans and can supplies at J. Walter Tuttle's.

Rev. T. J. Folger, of Danbury, after conducting a protracted meeting at Union Hill M. E. church, closed the meeting and returned home Thursday of last week. While only one member was added to the church the meeting was a very successful one, a great deal of interest being manifested throughout the meeting.

### A Test Case.

During the last circuit court at Atchison county, Missouri, the case of H. F. Staple vs. Charles Traub was tried. The suit was brought on a long standing account and among other items was 16 years subscription for the Atchison County Mail. Mr. Traub refused to pay for the paper, claiming he did not take the paper, and that he had refused to take the paper from the postoffice and mail box a number of times. The plaintiff proved by postmaster and others that Mr. Traub did take the paper during all the 16 years. In the case it was shown that according to law, even if a subscriber does occasionally order a newspaper discontinued or refuse to accept it, he cannot get out of paying what he owes for the paper, and the subscriber must pay the arrears before stopping his paper.

The jury in this case was out only a short time and brought in a verdict for the entire account including the subscription for the Mail - 13 years at \$1.50 a year, or \$24. The costs in the justice court and the circuit court amounted to about \$100 besides the attorney fees.

A similar case has been decided by the court of appeals and it was held in that case that only taking a newspaper must pay for it as long as they take it from the postoffice.

### The Town of Avalon Moved To Mayodan.

It is a rare thing to hear of a whole town being moved, but this was recently done when the entire town of Avalon was moved to Mayodan, a distance of two miles. Everything was moved - houses, barns, fences, and even shade trees. The cause for this was the fact that the cotton mill at Avalon, at which most of the people were employed, was burned last year. The population of Mayodan was considerably increased.
