

AT WALNUT COVE

Mr. Murphy Forwards Petitions To Legislature In Regard to Schools.

A FINE MEETING

Agricultural and Good Roads Association Addressed By Several Citizens Wednesday Night.

Walnut Cove, Jan. 18.—Mr. Joe Hill of Davidson county was here last Saturday and Sunday visiting his sister, Mrs. R. L. Murphv.

Mr. Robert Murphy, Jr., and Miss Stella Rierison go to Winston every Saturday to take music lessons under Prof Maurice Longhurst.

Mr. Robert Alcorn, of Dillard, a student in the Walnut Cove school, spent Saturday and Sunday at home with parents.

The Walnut Cove High School has entered the State Debating Union and will probably be grouped with Pilot Mountain and Pinnacle to form a triangle. The speakers chosen to represent this school are: Messrs. John Hutcherson, Watson Joyce, Odell Jones and Stephen Smith.

Miss Maggie Robertson, who has for several days been at Dalton at the bedside of her mother, returned home Monday and is again in school. Her mother had the pneumonia and grip, but is now recovering.

Mr. Eugene Burton, formerly a merchant at King, has bought the Moore farm about two miles from here and moved his family to it.

Mr. James Voss has rented some rooms in the Lash house and will move in a few days.

On Friday evening, January 17th, a very delightful entertain-

ment was given by Miss Bessie Morefield to a number of her friends at the home of Mrs. Will Rierison, on Main street. Among those present were Misses Thelma Neal, Sallie Mott, Mary Marshall, Edith Petree, Irene Allen, Ethel Stephens, Gladys Lackey, Dewey Jones, Lillie Joyce, Maggie Robertson; Messrs. Watson Joyce, Jessie Stephens, Eugene Dodson, Sanders Rierison, Portney Bailey, Jacob and Paul Fulton. Several games were played and all present greatly enjoyed the occasion.

Miss Frances Jones, of this place, went to Winston last Thursday.

Mr. R. L. Murphy is now ready to forward to the General Assembly a petition requesting that body to (1) provide a six months public school term, (2) State-wide school attendance laws, and (3) effective child labor laws. He began to circulate this petition January 7, and it probably bears the earliest date of all like petitions in the State. It is signed by most of the citizens of the town, including the school board, the town officers, and the faculty of the school.

A well-attended and enthusiastic meeting of the Good Roads and Agricultural Association of Sauratown township was held in the Junior Hall last Wednesday night. Interesting speeches were made by Mr. Lawrence MacRae, of Winston-Salem, Prof. Joe Hill, of Davidson county, and several citizens of Walnut Cove. It was the sense of this meeting that bonds for building roads should be voted by townships, and judging from the enthusiasm shown in this meeting the \$50,000 issue will be carried in this township by an overwhelming majority.

Another meeting of the association will be held next Wednesday night.

The Farm Work and Other Affairs of the State Farm

Reports made to the State prison directors, in session in Raleigh last week, show that 1,400 bales of cotton will be made off of the 1,500 acres planted in cotton at the State farm, it appearing now that the prison authorities will realize \$110,000 from all crops this season, cotton, peanuts and corn.

The farm works 425 convicts. There are 87 in the prison in Raleigh; 65 working on the Aberdeen & Rockfish railroad, 43 on the Statesville Air Line, 93 on double-tracking the Atlantic Coast Line, 60 on the Elkin & Alleghany and 21 on the South Atlantic Transcontinental, making 810 convicts in the service of the State. Convicts hired for railroad work are rated at \$1.50 a day. Only the Atlantic Coast Line and Aberdeen & Rockfish roads pay cash for convict work, the others paying in stock in the roads.

The State also has the grading of Mattamusket railroad in Hyde county and the Wilkesboro-Jefferson turnpike for stock, neither giving any promise of speedy dividends or anything like par valuation. Running expenses of the penitentiary amount to \$14,000 a month.

This season the prison authorities have sold 840 bales of cotton for \$48,216 and have 500 bales yet to sell, with 175 bales still in the field.

The deceased is survived by her husband and a number of children, all whom are grown. Three of the sons are in western States. She was an estimable woman and will be greatly missed in the community.

The interment was made at Snow Creek church burying ground Friday.

Pastor T. J. Folger preached at the M. E. church Sunday morning on forgiving. Prayer-meeting at night was conducted by Mrs. J. Spot Taylor. The talk was especially to the children.

For One Cent Letter Postage.

Senator Burton of Ohio is leading the campaign for one cent letter postage, and has introduced a bill in the Senate providing for the inauguration of this new rate on July 1, 1913. Senator Burton declares that the people are entitled to one cent letter postage because it actually costs less than one cent each for the government to handle letters. This results in the accumulation of a surplus of over \$62,000,000 each year on first-class letter mail.

Mr. G. Thomas Martin, of Meadows, was a visitor here Saturday. Mr. Martin, who is a citizen of Meadows township, thinks that his township will carry a good roads bond issue by a good majority.
