

# MUCH CASH IS LOST

By the Foolish Habit Of Hiding Money At Home.

## LET IT WORK FOR YOU

By Depositing In Some Good Bank - In a Few Years the Interest Will Be Large As the Principal.

If all the money the people of Stokes county have lost in interest during the past 40 years by keeping money hidden away idle, were computed, it would be astonishing.

Money placed in a good bank at 4 per cent. compounded every three months, grows fast, and as the years go by it doubles - the interest increasing larger than the principal. But if kept stuck away in an old tin can, a chest, or a bed tick it loses its earning power, and is besides in constant danger from rats, fire and thieves.

We accept any amount large or small and pay you 4 per cent., compounded every three months, while your money is at the same time instantly available in case you wish to make a trade.

Begin banking your money today. You will never be sorry. BANK OF STOKES COUNTY, Danbury or Walnut Cove.

### Farm For Sale in Piedmont Section of North Carolina.

I have a 180 acre good red land farm for sale at Mehane, N. C., adjoining the city limits on the South, about 160 acres in cultivation, can all be cultivated with machinery, splendid soil for grain, truck or grasses, plenty of running water, also two wells of good drinking water, 3-room frame cottage in good condition, also a good barn and good orchard of apples and peaches. This is one of the best farms in Alamance county for sale. Will sell for \$6,000.00, part cash, balance on easy terms.

W. W. BROWN, 10662d, Burlington, N. C.

Old age as it comes in the orderly process of nature is a beautiful and majestic thing. It stands for experience, knowledge, wisdom, counsel. That is old age as it should be but old age as it often means poor digestion, torpid bowels, a sluggish liver and a general feeling of ill health, despondency and misery. This in almost every instance is wholly unnecessary. One of Chamberlain's Tablets taken immediately after supper will improve the digestion, tone up the liver and regulate the bowels. That feeling of despondency will give way to one of hope and good cheer. For sale by all dealers.

Take One Pain Pill, then—Take it Easy.

For Neuralgia, nothing is better than Dr. Miles' Anti-Pain Pills. Used by thousands for a generation.

Those who have suffered from neuralgic pains need not be told how necessary it is to secure relief. The easiest way out of neuralgia is to use Dr. Miles' Anti-Pain Pills. They have relieved sufferers for so many years that they have become a household necessity.

"I have taken Dr. Miles' Anti-Pain Pills for five years and they are the only thing that does me any good. They have relieved neuralgia in my head in three minutes. I have also taken them for rheumatism, headache, pain in the breast, toothache, earache and pain in the bowels and limbs. I have found nothing to equal them and they are all that is claimed for them."
