

Dr. Hartman's Plain Talk to Young Men

My plain talk to young men in my last article certainly brought out many responses from young men. I take this means of answering them briefly, for the benefit of other young men who did not write me. One writer says: "I was greatly interested in your talk to young men. I wish I was strong and well as you describe yourself to be. I am going to begin at once and follow your advice and take care of myself as I ought to. I will quit the use of all stimulants, tea and coffee, go to bed early. I will take the cold water towel bath every morning. I want to live to be old and useful, like you. And I shall also keep Peruna at hand, in case of slight ailments as they may arise. I thank you in the name of thousands of other young men, like myself." To this letter I replied:

My dear Boy:—I cannot tell you how much good your letter has done me. To know that I am arousing the young men in matters of right living fills me with gratitude and enthusiasm. I want to help you. Write me any time you wish and I will consider your letter strictly confidential and give you prompt reply. Follow the advice I gave in my article. Whenever you have occasion to consult me further do not hesitate. Let us be friends. If you will be obedient to me as a son ought to be I will be faithful and true to you as a father ought to be. Yours Sincerely, S. B. Hartman, M. D., Columbus, Ohio. PERUNA IS FOR SALE AT ALL DRUG STORES.

GERMANTON NEWS.

Mr. B. J. Savage Plowing With Traction Engine—Other Items.

Germanton, May 10. — The weather at present is cool and cloudy, yet we have had no rain here, and the crops and land are badly in need of it. This dry spell has caused people to fear another dry summer, such as we had the past two years. Wheat fields have been looking beautiful, and with rain it is thought there will be a splendid crop around here. From the numbers of wagons loaded with fertilizer going past one would suppose there never had been such extensive farming done in this section, as is being done this year.

Mr. B. J. Savage is plowing and harrowing every day now with his traction engine, and counts it a great success as such a space can be both ploughed and harrowed at the same time.

Mr. J. C. Carson and family spent last Sunday in Greensboro with his brother, Mr. J. H. Carson.

Right Here Is Your Chance To Buy That Typewriter!

This is a Straight-from-the-Shoulder Typewriter Talk by a Typewriter Man to the Readers of the Reporter.

No other typewriter built—regardless of any claims made—is the equal of the new Fox Visible Typewriter either in material used, or in workmanship, or in the number and convenience of its special features. There are many good typewriters being built and sold, but we claim for the New Fox Visible Typewriter that it is better than the best of these, and that its automatic features combined cannot be found in any other typewriter. The New Fox is a typewriter that will meet with the approval of the most critical user. A single demonstration will convince you—we will make it at our expense, if you will permit us.

Whether you have had the use of a typewriter or not, you have paid for many things over the years, you have paid every day you continue using the old, slow method of writing with a pen you are unconsciously paying for a typewriter. The former who cuts his grain with a scythe pays with every drop of sweat for a paper. If you are neglectful of your wearing apparel and expose yourself unnecessarily to the rain and cold you are paying for the very things that would have kept you well and comfortable. Remember this and mark it well: You must Pay—Pay for the necessities of this life, whether you use them or not.

THIS IS THE NEW VISIBLE FOX
"BETTER THAN THE BEST OF ALL OTHERS"
Sent on Free Trial, Express Pd.

Look at the illustration of our New Fox Visible Typewriter, shown above, and compare it with any other typewriter you have ever seen or used. Here is a really VISIBLE typewriter—note that the printing point is on top in plain sight, and that the type bars rise from where they are lying and strike the plates in full view of the operator, and in a direct line of vision, and that all of what you have written remains in full sight until the paper is removed from the typewriter. Compare this with those old style typewriters, that some firms are still advertising as visibles, but on which the printing point is beneath the typebars, and you have to look down into them—or between them—to see what you have written. Touch a key in the keyboard and you change the color of your writing instantly from black, blue, or purple to red. Press the Tabulator Key at the left (in front) for paragraphing, writing the complimentary closing, etc.; also for all kinds of billing. At the right (in front) is our Back Space Key. This moves the carriage backward for making corrections, or putting in punctuation. This key also enables the operator to erase a word of three letters and write one of four in its place. Press the Stencil Key shown at the left (front) for making stencils from which thousands of duplicate letters can be made. Four rows of keys reduce the shifting one-third. The right Shift Key locks automatically for writing in all caps. A positive automatic Line Lock prevents you from writing beyond a predetermined line. The ribbon travels in a "zig-zag" line—not straight across from spool to spool as on others—thus using all of the ribbon and making it last three or four times as long as on other typewriters. The ribbon automatically re-winds itself from one spool to the other without any attention from the operator. Carriages are interchangeable, and run on ball bearing tracks. Platens are removable, so that both a hard and soft platen can be used on the same typewriter. Extremely light touch. "No falling leaf is lighter than the touch of the Fox Typewriter." Choice of Elite, Pica, Condensed Roman, Medium Roman, or Italic Type—we carry more than three thousand special type in stock, of our own manufacture, and can furnish keyboards for any language. The Fox has an easy, almost noiseless action, is very durable, and is sent complete with cleaning outfit and metal cover with hard wood base.

This is the Fox, the typewriter we manufacture—this is the typewriter that we will send to any one anywhere in the United States on Free Trial, all express charges fully paid—no "red tape"—no delay—no obligation to buy. If purchased after trial you can pay a little down—whatever you can spare—and the balance in small monthly payments.

Reader, in all sincerity we can honestly say this proposition has never been equaled by any other typewriter company, and all we ask is that you write us TODAY—NOW—giving us your name and address so we can send you our catalog and write you personally about our typewriter and Free Trial offer.
