FOR SALE.

One farm in Lee county of 112 acres fine land with 30 acres under cultivation, practically level with nice five room farm house, splendid barn and out buildings and within one mile of two of the largest railway systems in the South. Price \$1750.00. With terms.

One farm in Harnett of 113 acres with about 50 acres open. This land is beautifully situated on the National Highway within one-half mile of the town of Olivia. Soil is sandy loam, very productive and easy to culture. A splendid old time five-room farm house with barn and orchard. Price \$3500.00. With terms.

The above two farms are special offerings that must be sold. Each of them are priced far below value.

Can offer any size farm desired improved or unimproved sand or clay soil. Also I have a number of nice village homes carrying five, ten or twenty acres of nice land suitable for truckers or small farmers that I can offer at interesting prices. No healthier place in the State than in the long leaf pine belt. We need tobacco farmers. It is easier to cultivate three acres here than one in hill country.
