This Sept. 16, 1913.
M. T. CHILTON, Clerk Superior Court.

NORTH CAROLINA COUNTIES ARE PROGRESSING.

Only One of the One Hundred Out of Line in Health Work.

Last Monday at the regular session of the Board of County Commissioners, Orange County made an appropriation of \$250 for the purpose of co-operating with the State Board of Health in establishing a public health and hookworm campaign in that county. Randolph and Davidson counties recently made similar appropriations for the same purpose. This makes ninety-nine (99) of the one hundred counties in North Carolina that have shown a sincere interest in the welfare of their people. Human lives and human suffering have appealed to the commissioners of these counties above dollars and cents. The value of good citizenship has been raised above live stock, in contradistinction to the custom existing in North Carolina in the days gone by. This is a most remarkable situation in the health work of our State. But for the failure of the Ashe County Board to take favorable action, it could have been reported that every county in North Carolina is interested in its health conditions, and had co-operated with the State Board of Health, and provided funds to better the health and sanitary conditions of its people.

No other state in the Union has reported such a marvelous awakening of its people, and it is to be hoped that at the next meeting of the Board of Commissioners of Ashe County they will reconsider their decision and thus make the counties of North Carolina unanimous in their action and attention to health and sanitary matters. Dr. C. L. Pridgen, of the Hookworm Commission of the State Board of Health, is hoping to report before long that an active health campaign has been conducted in every county in the State. This will give North Carolina her usual place as the first of all the states of the Union to accomplish this.

Constipation Cured.

Dr. King's New Life Pills will relieve constipation promptly and get your bowels in healthy condition again. Jon Supsic, of Sanbury, Pa., says: "They are the best pills I ever used, and I advise everyone to use them for constipation, indigestion and liver complaint." Will help you. Price 25c. Recommended by all dealers.

First Good Road In Yadkin County.

Yadkinville, September 15.—The first mile of good road to be built and finished in Yadkin county has just been completed near Jonesville, this county. This road, which is being built by private subscription, is scheduled to run from the Yadkin river at Elkin to J. P. Howard's store near Jennings, Iredell county, through the townships of Buck Shoals and Knobs. At Howard's store the road will connect with the Iredell sand clay road, giving Elkin, Jonesville, and that part of Yadkin a direct road to Charlotte, by way of Statesville and Mooresville. The road was surveyed by a competent engineer some time ago and work was begun. Those interested in the road say that when the grade is completed a modern sand clay road will be the result. Those leading in the building of the road are: Howard, Sherman, G. T. White.

TOSE, L. Agood road combination use, weight lbs. Gentle, natural, auto, rains" etc. A bargain sold at once. Also good for cow, at a bargain.
GATHER DAVIS,
17sept tf Danbury, N. C.

"Clean Up the Bowels and Keep Them Clean"

There are many remedies to be had for constipation, but the difficulty is to procure one that acts without violence. A remedy that does not perform by force what should be accomplished by persuasion is Dr. Miles' Laxative Tablets. After using them, Mr. N. A. Waddell, 315 Washington St., Waco, Tex., says:

"Almost all my life I have been troubled with constipation, and have tried many remedies, all of which seemed to cause pain without giving much relief. I finally tried Dr. Miles' Laxative Tablets and found them excellent. Their action is pleasant and mild, and their chocolate taste makes them easy to take. I am more than glad to recommend them."

"Clean up the bowels and keep them clean," is the advice of all physicians, because they realize the danger resulting from habitual constipation. Do not delay too long, but begin proper curative measures. Dr. Miles' Laxative Tablets are a new remedy for this old complaint, and a great improvement over the cathartics you have been using in the past. They taste like candy and work like a charm. A trial will convince you.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory after trial, return the box to your druggist and he will return your money.
