**TO THE SCHOOL TEACHERS**

Asked To Go To Work Beautifying School Houses and Grounds — Letter From Miss Adkins.

To the Public School Teachers of Stokes County:

As the public schools of Stokes county are now opening for the term 1913-14, we wish to call the attention of every white teacher to the Woman's Association for Betterment of the Public Schools of Stokes county.

We hope that all the white teachers in Stokes county may consider themselves members of this association and put forth every effort to better and beautify their school houses and grounds. Get the people in the community interested as well as the pupils. Organize local Betterment Associations for each school. Have some of the people of the community for officers.

The object of the local association is to unite the teacher, pupils and all the people in the community for improving and beautifying the school house and grounds, securing or supplementing libraries, etc.

Money may be raised for such object by entertainments or by any way the association may think proper.

We hope all teachers may organize associations and do good work, and at the close of the school send in good reports so that we may report to the State Association.

(MISS) L. E. ADKINS.

President of Woman's Association for Betterment of Public School Houses in Stokes County.

**Card of Thanks.**

We desire to thank our friends, Miss Josie Pepper and Mrs. J. Spot Taylor, for the nice supply of groceries they sent us a few days ago.

**TIME OUT DEC. 1ST**

**Danbury Reporter Will Adopt the "Stop" Plan, and All Subscriptions Will Be Cash-in-Advance.**

After a great many years' trying out of the old credit plan, the Reporter will adopt the cash-in-advance system for subscriptions.

Going into effect December 1, 1913, all subscriptions on our books not paid up, will be dropped.

The Reporter is assured by hundreds of its patrons that this plan will be much more satisfactory than the old way of sending the paper on year after year, whether the subscriber orders it or not.

It is a bad business policy to extend unlimited credit for small sums of money.

All subscribers who want the Reporter to come on to their address may settle up in full, and in advance by December 1. Otherwise their papers will be promptly stopped. Hundreds are now doing this, and by December 1st we expect to have a clean list, and but few names dropped.

Please take notice, and attend to this without delay.

**\$2,000 Reward**

To any man or set of men who will cut from 2,000 to 4,000 cords green oak wood for me by March 1, 1914.

Timber two miles east of Winston-Salem on Southern Railroad.

Will furnish house in which to live, and will settle on 1st and 15th of each month.
