 Best sheaf orchard grass, T. F. Callaway.
 Best sheaf herdsgrass, W. A. Petree.
 Best sheaf crimson clover, W. A. Petree.

(Continued next week.)

FOREST FIRE CIRCULAR.

Being Sent to All the Public Schools of the State.

Perhaps the strongest and most effective appeal for the protection of our forests from fire is a leaflet with colored illustrations now being sent for distribution among the schools. This leaflet is adapted to the North Carolina reader from one widely distributed in several of the other states which are trying to protect their forests. It has been prepared and printed by the State Geological and Economic Survey, and is being distributed by the North Carolina Forest Association in co-operation with the state board of education. In regard to this circular, Dr. J. Y. Joyner, the state superintendent of public instruction has issued the following letter:

To the School Superintendents, Principals, and Teachers of the Public Schools of North Carolina:

I wish very earnestly to urge upon you the importance to the farming, forests, and wood-using interests of our state in bringing home to every child we can reach the lessons of this admirable Forest Fire Circular, which has received the hearty approval of the Governor. Please do all in your power to see that the schools are well supplied with them, and that every pupil gets one.

The State Geological and Economic Survey and North Carolina Forestry Association

agree to furnish as many of these circulars as can be effectively distributed in the public schools. If the supply should run out, more will be printed as soon as necessary arrangements can be made.

In distributing this circular, I would suggest that either you or one of your teachers make a short talk introducing the circular to the children and bringing to their notice the value of the forests to your county and the necessity of protecting them.

The circular in question is enclosed in a larger publication on the observance of "Civic Days," including Good Roads Day and Arbor Day, now being mailed from Dr. Joyner's office to the school teachers all over the state. Those teachers who are interested, which should at least include every one in western and eastern North Carolina, where fires are most liable to occur, are asked to send for enough copies to give one to every child in his or her school. They will be mailed, forty to one hundred or more in a package, to every teacher who applies. An excellent opportunity is hereby furnished to bring before the children, in attractive form, the elements of forest protection, and all who are interested should co-operate with the public school authorities to secure as wide a distribution of this valuable circular as possible.

Don't Let Baby Suffer With Eczema and Skin Eruptions.

Babies need a perfect skin-covering. Skin eruptions cause them not only intense suffering, but hinder their growth. Dr. Hobson's Eczema Ointment can be relied on for relief and permanent cure of suffering babies whose itchy eruptions have their life miserable. "Our baby was affected with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and here overjoyed to see baby completely cured before one box was used," writes Mrs. Strubler, Dubuque, Iowa. All druggists, or by mail, 50c. PFEIFFER CHEMICAL CO., St. Louis, Mo. Philadelphia, Pa.

Sale of Personal Property.

On Saturday, Nov. 13, I will offer for sale to the highest bidder my entire set of farming tools, plows, hoes, mowing machine, rake, and harness, good horse, wagon, buggy and harness, a lot of corn, hay and shucks. Also some household and kitchen furniture and a bunch of other articles too numerous to mention. Sale begins at ten o'clock. Come early and select what you want.

GAITHER DAVIS, Danbury, N. C.

You Are Invited

To visit our store when you come to town and let us show you our handsome line of

DRESS GOODS AND SHOES.

It pays to trade with us because we will sell you goods at the right prices. For instance we will sell you bargains like these:

John B. Stetson No. 1 Hats at \$3.00

Granulated Sugar at \$4.75 per hundred pounds.

We carry one of the best lines of shoes on the market and guarantee every pair we sell. If they pull out from the sole or are not solid leather we will give you a new pair. This shoe is worth anyone's notice who wants a first class shoe.

All other goods at bottom prices. Come to see us and we will treat you right.

J. W. MOREFIELD & CO. WALNUT COVE, N. C.

We will purchase all your eggs and chickens at highest market prices.

Ask the Boy Who Won

how he raised the Blue Ribbon ear. In Boys' Clubs all over the country the prizes are going to the boy who uses the right fertilizer. That means enough

POTASH

to make a solid, well filled, and perfectly shaped ear. Use 200 to 500 pounds Kainit per acre to balance either green or stable manure and be sure that the fertilizer you use contains 8 to 10 per cent Potash. Ask your dealer to carry goods of that grade. If he doesn't we will sell you any amount of Potash, from one 200 lb. bag up, and you can add it yourself.

Don't forget this, for Potash Pays

OWNERS AND PROPRIETORS OF

UNION WAREHOUSE

STONEVILLE, N. C.

To Our Many Friends and All Tobacco Growers of Rockingham, Stokes, Patrick, Henry and Adjoining Counties:

We respectfully submit for your investigation our reputation as to handling and selling tobacco. While we are out with a new and well equipped brick warehouse located near the Bank of Stoneville, we wish to say that the warehouse business is not at all experimental with us, as we have had years of experience in selling tobacco at auction for the tobacco growers of this locality.

Mr. J. C. Hutcherson, of Reidsville, who is known as a celebrated auctioneer, will sell tobacco for us.

We respectfully ask for a share of your patronage and will leave nothing undone on our part to merit your continued business.

Respectfully yours to serve,

UNION WAREHOUSE CO.
