NEWS OF KING

Two Protracted Meetings In Progress At Churches.

MUCH ROAD WORK

High School Building Being Painted—Big Crop of Wheat Being Sown.

King, Nov. 8.—Rev. A. O. Lindley, of Rural Hall, assisted by Rev. W. C. Lassiter, of Julian, has been holding a meeting at King Tabernacle this week at nights. The services were well attended and the sermons were splendid. The meeting closed last night, and the ministers will return to their stations this morning.

Messrs. R. T. Coe and P. L. Culler are painting the High School building this week.

Mrs. N. O. Tuttle, of Rural Hall, is visiting her parents this week.

As a result of the Governor's "good roads" proclamation, we are pleased to report that hundreds of hands spent Wednesday and Thursday in the cause and that a great work has been done and a work that our citizens are proud of.

Mrs. Joe Stone and son visited at Mr. B. F. Pulliam's Wednesday.

Mr. T. F. Baker and family moved in their new residence this week, and Mr. P. W. Gunter into the one vacated by Mr. Baker. Mr. H. K. Ashby moved in the one vacated by Mr. Gunter.

A protracted meeting is in progress at Sinai Holiness church for several days and continues yet for an indefinite period. Great interest is manifested by a few and large crowds are in attendance.

Notwithstanding the high price of tobacco the farmers in this immediate section have sown a large crop of wheat and expect to make grain as well as tobacco.

Meeting Of the Teachers In Raleigh

The teachers of the State will be granted holiday without loss of pay, November 28th, Friday of Thanksgiving week, in order to enable them to attend the North Carolina Teachers' Assembly, which holds session in Raleigh November 26-29th, if the request of State Superintendent J. Y. Joyner and that of Secretary E. E. Sams, of the Teachers' Assembly, is granted by the city and county boards of education.

The officers of the Assembly have sent out a circular letter to all the school boards and committees, with the earnest request that this holiday be granted. They call attention to the splendid session of the Assembly last year, held at the same time, which was attended by over 1,200 teachers of the State and proved of great inspiration and practical benefit to them in the work of their profession, and at which time a majority of the boards of trustees allowed the teachers to attend without loss of pay.

The opening session of the Assembly is Wednesday evening, November 26th. A great majority of the teachers of the State can reach Raleigh Wednesday in time for this session, leaving their homes after the close of the school that day. The next day is Thanksgiving Day and a national holiday. Thus by the granting of only one holiday the boards will enable the teachers to attend the fall session of the Assembly, leaving Raleigh after the last meeting Saturday morning and arriving home before Sunday.

Fortify Your Fertilizer
 Did you see your fertilizer dealer and arrange to buy fertilizer containing at least as much
POTASH
 as Phosphoric Acid? That is the real kind that pays you and the dealer. If you did not, you should at once ask your dealer to carry Potash Salts so that you may increase the Potash in the ordinary brands. To increase the Potash 1 percent, add 40 pounds Muriate or Sulphate of Potash to a ton of goods. A 200-pound bag will increase the Potash of a ton 5 percent.
 Try it once and see how Potash Pays.
 If your dealer will not carry Potash Salts, write us for Prices. We will sell any quantity from one 200 pound bag up.
