THE ROAD WORK

Started On Roads of Danbury Township Saturday.

SURVEY FINISHED

Danbury to Meadows Will Be First Road Built — Force Working A mile South of Danbury.

Contractor Swinney with his force of men, mules and machinery started the work of building good roads in Danbury township Saturday morning. The first road to be built will be the one leading from Danbury to Meadows postoffice, a distance of about three and a half miles, and the first work was started on this road one mile south of Danbury Saturday. This first mile of road out from Danbury, which is now being built, is by far the hardest to build on account of so much rock and the high hills, but an excellent route has been secured and with a good steel bridge across the creek just below Danbury this will make a pretty road, and one that we will have cause to be proud of.

It is not known, of course, just how long it will require to complete the three and a half miles, as it will depend to a great extent upon the weather, but it

will probably not require more than eight to twelve weeks.

The survey for the road has been completed as far as Meadows, and the route selected, as far as the County Home, runs almost parallel with the present road, except it has much better grades. From this point it goes considerably to the left of the old road, coming into the Red Shoal road about a quarter of a mile east of Meadows postoffice. The engineer reports that the soil on this route is good and an easy grade was secured all the way up the hill from the County Home to Meadows postoffice.

Mr. R. R. King is drawing the plan for the bridge which will be erected across the creek just south of Danbury. The bridge will be of the trestle type and while it will be of considerable length it will not be an expensive bridge. By erecting a bridge here it not only enables the engineer to secure an easy grade up the hill just south of town but shortens the distance a quarter of a mile or more.

The pension checks for the old Confederate veterans were received this week by Clerk of the Court M. T. Chilton and mailed out at once. Those veterans who fail to get their checks are requested to notify Mr. Chilton.

WALNUT COVE LETTER

Addition Being Built To Stokes County Warehouse.

ENJOYABLE DANCE

New Minister Arrives and Gets Pounding—Miss Vaughn and Mr. Vaughn III.

Walnut Cove, Dec. 16.—Mr. and Mrs. C. L. Bowles gave the people an enjoyable dance last Friday evening from seven until eleven. Several of the young people from town went out and they all report a pleasant time.

Rev. Mr. Poe, the new Methodist preacher, came in Friday and they found when they arrived at the parsonage that the people had tendered Mr. Poe and family a generous pounding.

Miss Maybelle Vaughn was real sick Sunday and Monday but is improving at this writing, we are glad to note.

Mr. Wyatt Vaughn, who has been real sick with bronchitis, is able to resume his school work at Winston-Salem, we are glad to note.

Mrs. O. N. Petree spent the day Sunday with her husband who is at St. Leo's hospital at Greensboro.

The extension to the new Stokes County Warehouse has been started, and the work will be pushed as rapidly as possible until it is finished.

Puts Its Telephone Lines In First-Class Condition For the Winter.

ACCIDENT TO BUGGY

Converts Mr. Burges Boles To Good Roads—Some Fine Hogs Being Killed.

King Route 2, Dec. 15.—The Quickstep Telephone Co. has recently had its lines gone over and put in first-class condition. Mr. I. G. Gentry has recently had his dwelling repainted.

Some fine porkers are being killed in this section. W. Wade H. Boyles recently killed three weighing 1070, Mr. C. C. Boyles two weighing 760 and Mr. G. A. Jones two weighing 700. There are lots more fine ones in this section that will be slaughtered as soon as the weather gets cooler.

Mr. Burges Boles, who voted against the bond issue for roads in this township, went out driving Sunday and while pulling through some of the deep mud his horse became frightened and jerked the buggy in two pieces, leaving Mr. Boles and the hind wheels in the mud while the horse took the two front wheels of the vehicle home.

Mr. Boles says a wreck like this is enough to convince any man that the bond issue for roads is a good thing.

SCRIBBLER.

WESTON-BLAIR.

Secret Marriage Of Young Couple Comes To Light.

Quite a little ripple of excitement prevailed in Danbury society circles Monday afternoon when it was discovered that Miss Annie Blair, of Danbury, and Mr. Lacy U. Weston, of Loray, N. C., had been secretly married in Greensboro on Dec. 6th.

The groom is at present studying for the ministry at Wake Forest College and while the bride was on a visit to Greensboro recently Mr. Weston came up and they were married at the Huffine Hotel in Greensboro in the presence of a few witnesses, Rev. Mr. Sherrill, of the M. E. church, being the officiating minister. After the ceremony the bride returned to her home here while the groom went back to his studies at Wake Forest College as though nothing had happened. But on Monday of this week through some means the secret came to light and the bride confirmed the report.

The bride is the attractive and accomplished daughter of Mr. and Mrs. R. H. R. Blair, of Danbury, and has hosts of friends who will no doubt hear of her marriage with surprise. The groom is a bright young minister of the Baptist church, and expects to come here after the present term of school expires to spend the summer.

WALNUT COVE NEWS

Dodson Hotel To Have An Addition — Purse Containing \$140.00 Is Lost.

Walnut Cove, Dec. 12.—An annex is being built to the new warehouse at this place, the capacity of the main building being vastly inadequate.

It is learned that Mr. W. G. Dodson will build an annex to his hotel with 15 or 20 more rooms in the near future. This addition is much needed as the hotel is constantly crowded these days.

Wednesday evening in the presence of a few friends and members of the immediate families of the bride and groom, Miss Ethel Stephens was united in marriage to Mr. Joe Hicks, at the home of the bride's parents.

Rev. J. A. Fagg was the officiating minister.

The bride is the popular young daughter of Mr. W. R. Stephens, and has a large circle of friends who extend to her many good wishes. Mr. Hicks is also popular, and a good business man. He holds the responsible position as supervisor of our new road.

Last Wednesday a Mr. Bullen had the misfortune to lose a purse containing \$140.00. It has not yet been found.
