

GREAT IMPROVEMENT

In New Road In Sauratown Township — Will Be One of the Finest In the State.

Parties returning from Walnut Cove this week report that since the finishing touches are being put on the new road from Mr. J. I. Blackburn's to Walnut Cove it is doing fine. During the recent rainy weather, while the top-soil was being put on, there was some complaint of the road being bad, but since it is beginning to pack, much praise is being given the road. Mr. Geo. R. Smith, the superintendent, says that when this road is finished it will be one of the best roads in the State.

Brim's Grove.

Brim's Grove, Dec. 15.—Rev. W. H. Beamer filled his regular appointment at Brim's Grove Saturday and Sunday.

Mr. S. W. Sams, who has been confined to his bed for some time with pneumonia, is improving.

Mrs. Eliza Roberts, who has been in the hospital at Winston for some time, has returned home much improved, we are glad to note.

Mr. W. R. Covington's mule became frightened while standing hitched to a buggy at Brim's Grove church and turned it over breaking both shafts and broke the harness up considerably, but no one was hurt.

The box supper given at the Gibson school Saturday evening was a success. They sold seven boxes averaging \$2.00 each. The highest box was made by Miss Bertha Tilley and brought \$4.00. The proceeds will go towards improving the school.

Mrs. Louella Brim is right sick at this writing.

Miss Hattie Wilson has been suffering for some time with a felon.

Brim's Grove school is preparing to celebrate North Carolina Day, Dec. 23. They expect to give a box supper soon.

Croup and Cough Remedy.

Croup is a terrible disease, it attacks children so suddenly they are apt to choke unless given the proper remedy at once. There is nothing better in the world than Dr. King's New Discovery.

Lewis Chamberlain, of Manchester, Ohio, writes about the children: "Sometimes in severe attacks we are afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup, coughs and colds." So can you. 50c. and \$1.00. A bottle should be in every home. At all Druggists. H. E. Backlen & Co. Phila. St. Louis.

A kodak will make a nice Christmas present. See Elwood Boyles at Walnut Cove. tf.

BANK YOUR MONEY

Two Stokes County Citizens Robbed the Past Week.

This issue of the Reporter tells of the stealing of considerable sums of money from two Stokes county citizens the past week, which certainly should prove that it is dangerous to keep money in your house or on your person. A good bank is the only safe and proper place to keep your money.
