Blockader's Outfit Found In House Of The Late William Lawson.

Mount Airy, Jan. 27.—It developed that William Lawson, who was killed December 23 and his body found buried in a field near his home about 19 days ago, was not only abusive to his family but a blockader. Saturday Deputy Collector Haynes and Posseman Hatcher of this city were raiding in Patrick County, Virginia, and located a blockade outfit in Lawson's residence.

In a room of the building once used as a store, but recently called a kitchen, there was a furnace and small still with cap and worm snugly arranged, so that when in operation the smoke from the plant would ascend through the chimney. The outfit was destroyed, but it is not believed that it had been operated since the death of Lawson.

Guard Your Children Against Bowel Trouble
Many children at an early age become constipated, and frequently serious consequences result. Not being able to realize his own condition, a child's bowels should be constantly watched, and a gentle laxative given when necessary. Dr. Miles' Laxative Tablets are especially well adapted to women and children. The Sisters of Christian Charity, 531 Charles St., Luzerne, Pa., who attend many cases of sickness say of them:
"Some time ago we began using Dr. Miles' Laxative Tablets and find that we like them very much. Their action is excellent and we are grateful for having been made acquainted with them. We have had good results in every case and the Sisters are very much pleased."
The form and flavor of any medicine is very important, no matter who is to take it. The taste and appearance are especially important when children are concerned. All parents know how hard it is to give the average child "medicine," even though the taste is partially disguised. In using Dr. Miles' Laxative Tablets, however, this difficulty is overcome. The shape of the tablets, their appearance and candy-like taste at once appeal to any child, with the result that they are taken without objection.
The rich chocolate flavor and absence of other taste, make Dr. Miles' Laxative Tablets the ideal remedy for children.
If the first box fails to benefit, the price is returned. Ask your druggist. A box of 25 doses costs only 25 cents. Never sold in bulk. MILES MEDICAL CO., Elkhart, Ind.
