A telegram to the Stokes authorities here this week stated that Joe Lawson, who is wanted here, had been captured in High Point and was being held there.

Deputy Sheriff Watson Joyce, of Walnut Cove, left next day after receiving the telegram, but when he arrived at High Point it was found that on account of not getting a reply to their telegram, the officers had released Lawson and that he had left for parts unknown.

It will be recalled that Lawson is one of the men for whom warrants were recently issued charging them with breaking into the home of Mr. Robert Johnson, near Germanton, and stealing a trunk. The other offender, John Heath, is also at large.

Bessie Cook Enters Suit Against Caleb Jessup For Breach Of Promise—Trial March 19th.

A criminal action in which Bessie Cook, of the Westfield section, has indicted Caleb Jessup, of the same section, for breach of promise, is creating considerable interest in that part of the county. The trial was to have been held before Justice of the Peace J. P. Lynch, of Pilot Mt. Route 1, yesterday, but on account of the fact that some of the parties to the suit were unable to attend the trial was postponed until March 19th.

It appears from the evidence that on the 7th of January last Caleb Jessup secured license from the Register of Deeds of Stokes county to marry Bessie Cook, the prosecutrix, and that a few days later Jessup secured another license in Surry county and married a Miss Owens, of that county, with the result above stated.
