

For a Stokes County Farm
Write to
STOKES REALTY EXCHANGE,
DANBURY, N. C.

GENTLEMEN:

In the lot of machinery that I have sold in Stokes county since last October are 10 traction engines which all of the owners are well pleased.

For saw milling, hauling, lumber,

threshing, plowing, etc., the traction engine is the thing. In fact, the steam traction engine is an all round farmer.

I have on hand at this time a few rebuilt jobs as good as new that I can give you a great bargain in.

If you are interested in machinery please drop me a card. If I cannot save you something on any machine you may want I don't ask you

to trade with me. I have quite a number of satisfied customers in this county that I would be glad to refer you to.

I have the best line of threshing machinery in this State. Let me hear from you in regard to what kind of machine you want.

Yours truly,

T. J. THORE WESTFIELD, N. CAROLINA

CORTRIGHT

METAL SHINGLES Are Stormproof

They interlock and overlap in such a way that the hardest driving rain or sifting snow cannot possibly get under them. Besides this—they last indefinitely, and never need repairs. Another point—They're very reasonable in first cost. You can learn all about them from

Veterans Invited to Attend Reunion.

Mr. A. J. Tilley, of Smith, Adjutant of the Stokes Camp of Confederate Veterans, is in receipt of the following letter which explains itself:

San Francisco, Cal.,
April 23, 1914.

A. J. Tilley, Adjutant,
Stokes County Camp,
United Confederate Veterans,
Smith, North Carolina.

Dear Sir:

You are doubtless advised that an invitation has been extended to the United Confederate Veterans to hold their Twenty-fifth Reunion in San Francisco in 1915, in connection with the Panama - Pacific International Exposition. We are on this date renewing our invitation to be presented by the Adjutant General at the annual Reunion of your association to be held in Jacksonville, Florida, this month. We are very hopeful that you will be able to attend this Reunion and that you will join in supporting our invitation.

We are also inviting a Reunion of the Sons of Confederate Veterans and a Congress of the United Daughters of the Confederacy, and it would seem especially appropriate if the Confederate Veterans themselves should lead these younger organizations in a Reunion with us.

As you know, the Grand Army of the Republic held a remarkably successful Reunion with us two years ago. We wish to assure you that the same glad welcome awaits the United Confederate Veterans, as well as the Sons of Confederate Veterans and the United Daughters of the Confederacy, in recognition of their remarkable devotion and success in the great work of rebuilding and restoring the Southern States during the past fifty years.

I am enclosing, for your information, a copy of "The Exposition Fact-Book," recently issued. Other copies will be supplied or will be mailed to any addresses you may send us. The organization of the San Francisco Hotel Bureau, representing over 300 modern hotels, apartment and rooming houses, containing more than 50,000 rooms, insures excellent accommodations at very reasonable rates.

The Transcontinental Railway Passenger Association, at its meeting in San Francisco recently, announced Exposition railway rates for 1915 on the basis of one fare for the round trip from all points west of Chicago and the Mississippi river, with liberal stop-overs enroute, and the privilege of going via one direct route and returning via another. Eastern lines are expected to make similar reductions.

We cannot in a brief letter outline all of the many inducements favoring a visit to the Exposition and to all California, which in so many ways resembles your own home-land. We can only assure you and your association a characteristic California welcome to San Francisco and the Golden Gate in 1915. Will the Adjutant of each Camp receiving this letter kindly inform his Commander and fellow members.

Very sincerely yours,
JAS. A. BARR,
Manager.

DEPARTMENT OF WOMAN'S WORK

(Conducted By The Woman's Union Missionary Society of Danbury.)

Things You May Do To Help.

Go to the help of your pastor; he is over-loaded, and can't carry the burdens of church work all by himself.

Line up beside your Sabbath School superintendent; he needs teachers and other Sabbath School workers.

Come out on the side of the Great Captain of Salvation, in church membership, in every kind of fight—for temperance, social purity, civic righteousness, and above all, for the giving of the gospel to the unsaved multitudes of mankind.

See what you can do to help the one in your own home who has the heaviest end of the load to carry; or the friend at school who needs sympathy and help with the lesson now and then; or the worker at your side in your place of business, who is discouraged, feeble in body, dis-

tressed in mind, or tempted in soul.

"Be swift, dear heart, in loving; For time is brief, And thou may'st soon along life's highway

Keep step with grief.

Be swift, dear heart, in saying The kindly word;

When ears are sealed, thy passionate pleading Will not be heard.

Be swift, dear heart, in doing The gracious deed,

Lest soon they whom thou holdest dear

Be past the need.

Be swift, dear heart, in giving The rare, sweet flower,

Nor wait to heap with blossoms the casket in some sad hour.

Dear heart, be swift in loving— Time speedeth on;

And all thy chance of blessed service will soon be gone,"

—Sophie Bronson Titterington.

Notice to the Public.

Persons who are thinking of blasting rock out of the public roads at the expense of the county are hereby requested to consult the board of commissioners before purchasing dynamite for that purpose, as we cannot pay bills which are not authorized by us.
