The above is a correct and complete list of the old soldiers who attended the annual county reunion here Saturday. There are 29 of them. The attendance was small owing to many of them being at home sick in bed or attending their feeble and afflicted wives. Since last year a number of the old soldiers have died, one an officer of the camp, namely, Mr. J. H. Stewart, who was color-bearer, Mr. J. R. James being elected in his stead.

All the old officers, with the above exception, were re-elected, as follows:

- J. J. Martin, Commandant.
- J. A. Southern, First Lieutenant.
- A. J. Tilley, Adjutant.
- J. B. George, Quarter Master.
- M. V. Mabe, Second Lieutenant.

The crowd in attendance was large, numbering several thousand.

The ex-Confederates were unanimous in their approval of the movement started by Messrs. J. J. Martin and Amer Tilley for the erection of a monument to the Confederate dead to be built on the court house square here. The committee appointed to secure contributions for the monument is published elsewhere in this paper.

Commandant Martin stated to the Reporter that the next reunion of the old soldiers will probably be held in April, 1915.

WALNUT COVE NEWS

Citizens to Ask County Commissioners For Better Bridge Across Fork.

TOBACCO MARKET

New Warehouse Nearing Completion—Semple & Davis Writes Encouragingly — Local and Personals of Interest.

DANBURY REPORTER
Walnut Cove News Bureau.
C. E. DAVIS, Editor.

Walnut Cove, September 2.—At the meeting of the county commissioners on the first Monday in this month the citizens will ask for a more adequate bridge across Town Fork between this place and the depot. The present bridge besides being in need of numerous repairs is entirely too narrow for the vast amount of traffic with which it is burdened. It is doubtless used more than any three bridges at other parts of the county and a double bridge with a walkway on the side would greatly facilitate the traffic and it is to be hoped that the matter will have favorable consideration.

A force of laborers from Salisbury arrived here Monday and began work on the floor of the new warehouse. The building will have a concrete floor and this will be reinforced with flooring. When finished this will be one of the most up-to-date warehouses in the state.

Letters received from Messrs. Semple & Davis, who are conducting a warehouse at Fairmont, state that tobacco is selling well on that market and that they fully expect the same conditions to prevail here when the market opens on the fifteenth. These gentlemen will arrive here on the twelfth in time to get things in shape for the opening. Mr. Chas. H. Davis, one of their office force, came in last week.

Mr. D. S. Boyles has recently completed one of the most modern automobile garages to be found in any town of this size in the state. He is well prepared to furnish all kinds of repairs, gasoline and oils and will employ an experienced machinist to look after repairing machines.

COMMITTEE APPOINTED TO SOLICIT MONUMENT FUND

Marble Shaft to the Memory of the Stokes Confederate Dead Hoped to Be Erected In Time For the Next Annual Reunion of The Old Soldiers.

The old soldiers' monument, which it is proposed to build on the court house square in Danbury, will be pushed forward to materialization. A committee was appointed at thirteen points in the county to solicit funds for the building of the shaft, which it is thought will cost from \$1,000 to \$1,500. All the ex-Confederates were very anxious that the monument be erected at an early day, if possible within their life times, in order that they may be living witnesses to the tribute of loved ones living to their heroic dead.

The committee appointed is as follows:
C. M. Jones, Walnut Cove.
Dr. J. H. Ellington, Sandy Ridge.
Mrs. Dr. W. C. Slate, Danbury.

MR. HOLT ARRIVES.

New Farm Demonstrator For Stokes County Establishes Headquarters At Danbury.

The Reporter received a pleasant call yesterday from Mr. W. P. Holt, the new Stokes county farm demonstrator. Mr. Holt is from Guilford county, and is a graduate of Guilford College, having taken his B. S. degree from that institution with special training in agricultural subjects. He has also had considerable practical experience in farm work, having recently conducted a farm very successfully in Guilford county. His appointment to the work in this county by District Agent Millsaps of the United States Department of Agriculture came as a result of a visit to and examination of his farm work in Guilford by Mr. Millsaps. There is no question but that Mr. Holt is eminently fitted for his work, and the farmers of Stokes county are fortunate to secure his services.

Mr. Holt will make his headquarters at Danbury, and will have an office in the court house. Visiting farmers are cordially invited to call and make his acquaintance.
