The Traveler's Companion

Mr. Arthur L. Pierce, 2618 Sheridan Ave., St. Louis, Mo. "The curative value of Peruna is truly wonderful. I think it especially valuable as a specific for catarrh of the system, and for a man who has traveled for years as I have and who is certainly exposed to irregular meals and uncomfortable sleeping accommodations, Peruna is one of his best and most needed traveling companions. It throws off disease and keeps him well. I therefore heartily recommend it." Those who object to liquid medicines can now procure Peruna Tablets.

Galatia Christian Sunday School Starts On Another Year's Work -- An Appeal For the Sunday School.

King, Jan. 4.—On January 3, 1915, Galatia Christian Sunday School after one of the greatest year's work in its history re-organized. After singing and prayer the school was called to order and a careful consideration of the work was made. All of its officers were re-elected and it set out each and every one with a deeper interest and determination to have a greater Bible school this year.

We, the members of Galatia Christian church, feel thankful to our God for our success in our work and kindly ask all to join in with us this year and help to fight the battle and share a part in the crown that will be given us in the final judgment. If we prove faithful to the end there is a work along this line for us to do if we ever expect to cross over the river and see our many friends and loved ones gone on before and during the year 1915 let's every one in this county who attends Sunday School—make no difference where—try to get our neighters to go—those who do not go.

We can see other things discussed through our papers but seldom see anything about our Sunday Schools. Each Sunday School should at some time during the year send a report to our county papers and get Sunday School people more interested in the work. Let's all make a strong effort this year to double our enrollment. It can easily be done. Look around and see how small a per cent. of the entire population is in Sunday School. Some argue that our Sunday School and church work is a failure, but just think for a moment: if we had no churches or Sunday Schools how long would it be until our country would drift back into heathenism? Of course we admit all do not hold out, some faint and fall by the way side, on the other hand we do see old ones holding out faithful to the end. If only one in each hundred hold out it is a great success, therefore, those who do hold out, let's work the harder to obtain the crown.

Let's not neglect the poor as we go along. They should have special attention. I know something about this. I have always been poor and feel at times cramped because I feel commonly dressed among others wearing better clothing than I, and some times we see this class of people neglected in our churches and Sunday Schools and take the back seat. This class of people

to my opinion will have the front seat in Heaven. The poor that bear the heat and burden of the day and are deprived of the good things of this life, they have the promise of eternal life if they serve God.

Our Sunday School is open to all, old and young, rich and poor, of all denominations. Come: you are welcome.

Finds Cure for Epilepsy After Years of Suffering

"My daughter was afflicted with epileptic fits for three years, the attacks coming every few weeks. We employed several doctors but they did her no good. About a year ago we heard of Dr. Miles' Nervine, and it certainly has proved a blessing to our little girl. She is now apparently cured and is enjoying the best of health. It is over a year since she has had a fit. We cannot speak too highly of Dr. Miles' Nervine."

MRS. FRANK ANDERSON, Comfrey, Minn.

Thousands of children in the United States who are suffering from attacks of epilepsy are a burden and sorrow to their parents, who would give anything to restore health to the sufferers.

Dr. Miles' Nervine is one of the best remedies known for this affliction. It has proven beneficial in thousands of cases and those who have used it have the greatest faith in it. It is not a "cure-all," but a reliable remedy for nervous diseases. You need not hesitate to give it a trial. Sold by all Druggists. If the first bottle fails to benefit your money is returned.
