

Brown's Warehouse, Winston-Salem, N. C.

JOHN T. SIMPSON

To the Tobacco Trade:

The tobacco market has opened up with prices some better on the good grades, also common dark grades are fully as strong as they were the last week before Christmas. When you get some ready come on to Brown's and we will make a hard pull for you and feel sure we can please you. It is very risky to sell your tobacco on the small markets now. They have no competition and now is the time when you must, of all times, go to a big market. It will pay you to sell your tobacco at Brown's, where we always lead in average, whether tobacco is high or cheap. You can always find Brown's in the lead. Take no chances but come straight to Brown's.

Hoping to see you soon, we are,

Your friends,

BROWN, SIMPSON & GLENN.

JOE H. GLENN
