HIT BY AUTOMOBILE.

Mrs. Laura Stewart, Formerly of Pilot Mtn., Dies From Injuries Received Sunday. Winston-Salem, Oct. 5.—Mrs. Laura Stewart, who recently moved here from Pilot Mtn., was struck by an automobile in front of her home on North Liberty street about 4:30 Sunday afternoon and sustained injuries which resulted in her death at

1:30 this afternoon.

Mrs. Stewart had just left her home and was standing in the street awaiting the arrival of a street car when an auto owned and driven by Mr. W. H. Smith, who resides just beyond Waughtown, came along and struck Mrs. Stewart, knocking her down. The injured woman was at once removed to her room where she was attended by Dr. Bynum. Owing to her age, Mrs.

Stewart being 61, little hope was entertained for her recovery. No limbs were found to be broken and the belief is expressed that death was caused more from the shock than anything else. It was possible that internal injuries were sustained.

Mr. Smith's family were in the machine with him. He was reported to be running at the rate of eight or ten miles an hour at the time of the accident. He is deeply grieved over what is regarded by those who witnessed it as something unavoidable.

Mrs. Stewart has several relatives and many friends to mourn her untimely death.

The Greensboro fair opens next Tuesday, October 12th.

Coughs That are Stopped.

Careful people see that they are stopped. Dr. King's New Discovery is a remedy of tried merit. It has held its own on the market for 46 years. Youth and old age testify to its soothing and healing qualities. Pneumonia and lung troubles are often caused by delay of treatment. Dr. King's New Discovery stops those hacking coughs and relieves la grippe tendencies. Money back if it fails. 50c. and \$1.00.

HEAVY BREAKS ON

Over 300,000 Pounds of Tobacco Sold On Winston-Salem Market Yesterday. Winston-Salem, Oct. 5.—Yesterday was the biggest day on the tobacco market that has been witnessed this far the season, the double sales lasting until after 4 o'clock.

Because of the big sales, causing the work of totaling up the sales for the day to be delayed some and with the fair attractions, it was impossible to get the exact figures on the amount sold or the price it brought. A conservative estimate, however, based on figures from three of the four warehouses, indicate that between 300,000 and 325,000,

pounds were sold and, on the same bases, the price was not far from \$8.70 a hundred pounds. The sales today are expected to be rather heavy again, but it is doubtful if the amount will be as much as it was today.

President Wilson announces that he will vote for woman suffrage.
