

# A Better Fertilizer WILL PRODUCE A Better Crop

1. Have you given CAREFUL CONSIDERATION to the question of Fertilizers for your grain, tobacco, etc.?
2. Have you been using a Fertilizer that gives YOU SATISFACTORY RESULTS?
3. Would you use a different fertilizer if your yield per acre could be increased?

Ask yourself these questions. They mean much to YOU. INCREASED YIELD per acre means INCREASED PROFITS. LISTEN! "Union Brands" of fertilizer are now being used EXCLUSIVELY by many of the most successful planters in Virginia and the Carolinas. These fertilizers are made from the best materials known to the business. They are mixed with the most improved machinery, and results in the field have PROVEN the superior "crop producing" qualities of these goods. Having "made good" for others, they will do the same for you

IMPROVE THE QUALITY OF YOUR TOBACCO; INCREASE THE YIELD PER ACRE OF YOUR CROPS BY USING "UNION BRANDS."

### RURAL DAIRY SCHOOL.

A Letter From the State Manager, Reed, In Regard To this Work.

Raleigh, Oct. 26. The Office of Dairy Field Work has conducted a number of Dairy Schools during the past two winters and feels very much gratified with the results obtained. The demand for Dairy Schools has increased so that it is with difficulty that all requests are filled.

A dairy school takes the time of at least two men and considerable apparatus and expense. The demand for Dairy Schools is

so great that a number of requests cannot be fulfilled. The conductors of Dairy Schools are instructed to leave a community where a school has been requested when they find upon arrival that necessary arrangements have not been made or the petitioners do not arrive promptly at ten o'clock on the first day of the school.

The first Dairy Schools will open November 15th and continue until December 15th and reopen January 31st and continue until March 15th.

The November and December Dairy Schools will be conducted in Rowan and adjacent counties. After the Live Stock meeting in January, the Dairy Schools

will be conducted in other parts of the state.

We insist on conducting Dairy Schools at rural school houses. The days session is made profitable and instructive to both the boys and girls of the school as their fathers and we feel that it is not asking too much for that school to turn the day over to us.

Owing to the large amount of work we have on hand and shortage of field workers, only the one and two day schools will be conducted this year.

The program will commence promptly at 10 o'clock. Twelve to one thirty will be dinner hour (basket lunches are most satisfactory), and the program will

close at four. Detailed programs will not be given as variations will be made to suit local conditions.

A cream separator and Babcock tester will be carried for demonstration purposes. A Magic lantern will be used largely for both day and night meetings. A lantern lecture will start the program at ten o'clock promptly. The day light does not bother us for we use black curtains.

Night meetings will be conducted in connection with the Dairy Schools where requested if it does not interfere with travel to the next days school.

Bring samples of milk or cream to test. If one or more cows can

be brought to the school house a class in judging will be conducted.

The success of Dairy School depends largely on the local support given it.

The dairy cow and the creamery is making North Carolina farmers prosperous. You had better learn the best methods for making it pay.

ALVIN J. REED,  
Dairy Farming Investigations.

For Indigestion.

Never take pepsin and preparations containing pepsin or other digestive ferments for indigestion, as the more you take the more you will have to take. What is needed is a tonic like Chamberlain's Tablets that will enable the stomach to perform its functions naturally. For sale by all dealers.

State of Ohio, City of Toledo, ss. Lucas County,

F. J. Cheney makes oath that he is senior partner of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of HALL'S CATARRH CURE.

FRANK J. CHENEY,  
Sworn to before me and subscribed in my presence, this 6th day of December, A. D. 1886.  
(Seal) A. W. GLEASON,  
Notary Public.

Hall Catarrh Cure is taken internally and acts directly upon the blood and mucous surfaces of the system. Send for testimonials, free.

F. J. CHENEY & CO., Toledo, O.  
Sold by all Druggists, 75.  
Take Hall's Family Pills for constipation.

## Times Are Getting Good Again

Fine Crops Mean Great Prosperity to The County.

Within the next few months the farmers of Stokes county will market their crops, and this means that everybody will have more or less surplus cash. The crops are fine, and prices are good.

Now Is the Time to Open a Bank Account==

Now Is the Time to Start a Savings Account.

We offer you the best service. Invest your surplus money in our certificates of deposit which bear 4 per cent. interest, and which you can have cashed any time you need your money.

We cordially invite you to call at our Danbury or Walnut Cove bank and start an account. We are already writing new certificates with new tobacco money.

YOUR FRIENDS,
