The sermon of Rev. D. A. Binkley in the M. E. Church here last Sunday morning is spoken of as one of the best that has been delivered here for a long time. Mr. Binkley's sermons as a rule are good.

Presiding Elder W. M. Bagby, of this district of the M. E. church, who is spending a few days in Danbury, will preach at the M. E. church Friday night of this week. Mr. Bagby goes from here to Delta church, near Prestonville, where he will hold Quarterly Conference Saturday and Sunday next.

Still Captured In Surry.

Two deputy sheriffs of Surry county a few days ago captured a large still in the coves of the Blue Ridge. The still was located in Franklin township and all the surroundings indicated that it had been in operation for quite awhile. The officers hunted for it in the early part of the night and got lost. So they stopped on a bluff and waited for day and much to their surprise the still was just below them and only a few yards away. The plant was under a big shelter and was built in a substantial way, the operators evidently thinking that they had found a place where the strong arm of the law could never reach them. Big, fat hogs were grunting in the lot expecting the morning slop, but they only grunted when their breakfast went flowing down the branch. About 2,000 gallons of beer and a barrel of singlings were destroyed. The still and cap were carried away. The officers tell the Mt. Airy News it was the largest outfit they have taken.

Piedmont Fair.

The Piedmont Fair at Winston opens October 5, continuing until the 8th. Several Danbury people will attend.

Ward Goes Muscadine Hunting—Meeting of Ladies' Home Mission Society.

Pinnacle, Sept. 20.—Mrs. Edd Boles and children, of Siloam, spent a few days the past week with her parents, Mr. and Mrs. J. Wall.

Those who visited at Mr. Luther's Sunday were Mrs. Jim Edd Boles, Mr. and Mrs. Edd Boles, Mr. and Mrs. S. J. Wall, Misses Minnie Dora Eaton, Grace and Ola Margaret and Virginia Wall, Messrs. John Crouse, Jesse Robertson, and son, Bunyan, with Mr. and Mrs.

Ed from here went Sunday muscadine hunting. Don't think they got any, if all reports are true.

The farmers through this section are about through cutting tobacco.

The ladies of the Home Mission Society held their meeting Sunday at 11 o'clock a. m. They are doing some good work and we trust they will continue.

We have moved our Warehouse business to the Star Warehouse and are running it under our same name--

Farmers' Warehouse

It will be our pleasure to operate it on the same high plane that we have always conducted our business-- a square deal, and the best prices for all who sell with us. We were strongly advised by all of the buyers to make this change, and promised their very best support on every sale.

We have renovated the new Farmers' Warehouse from top to bottom, building new stalls, new floors, new camp rooms and also added a new sleeping hall with plenty of new spring beds. Our very competent assistants, who have been with us for a number of years, join us in extending to you the invitation to sell your crop at the new Farmers' Warehouse, and you shall have the highest dollar for every pile of your tobacco.

AT DELTA SATURDAY.

Quarterly Meeting to Be Held—Several Weddings Expected On Sandy Ridge Route 2.

Sandy Ridge Route 2, Sept. 20—People in this community are busy cutting and curing tobacco. Some of them are curing fine, while others are not curing well.

There was a baptizing at Oak Ridge last Sunday. Four persons were baptized—Miss Lilla Hawkins, Messrs. Robert Joyce, father of Rev. Mr. Joyce; Abe Hawkins and Curvy Hawkins. Mrs. Maggie Pringle joined and will be baptized next third Sunday. After the baptizing the crowd gathered at the church, where Rev. Joyce preached an excellent sermon.

There will be a Quarterly Meeting at Delta church next Saturday and Sunday. A large crowd is expected.

Mr. Lindy Alley, of Hartman, called on Miss Dora Ward Sunday.

Mr. Sam Terrell called on Miss Bercha Dunlap recently.

We think there will be several weddings in this section this fall.

Mr. J. N. Ward has purchased a fine mule. Guess he is fixing to jump the broom.

Messrs. Frank Joyce and O. C. East, while on their way home Sunday night, the mule they were driving became frightened, running the buggy up on a bank, turning it over and dragging both of them some distance, but did not hurt them very bad, but damaging the buggy considerably.

SENDAY SCHOOL BOY.

Pauper Acres.

Take an hour off sometime to go over your farm and pick out the pauper acres. Then see to it that these acres are not put in regular farm crops next year unless heavily manured and specially treated. Unless this can be done, either build them up by sowing legumes or else put them to making timber. The farmers of the South cannot afford to cultivate a million or two acres of land every year which they would be richer by never touching at all.

There is considerable talk of building an inter-urban electric car line from Salisbury to Winston-Salem via Greensboro. Former Secretary of the Treasury, Leslie M. Shaw, is said to be very much interested in the movement.

Mr. Japeth Leak, of Campbell Route 1, entered school here yesterday.

Tobacco Market.

More tobacco was sold at the warehouses yesterday than any day this fall. There were more than 55,000 pounds of leaf sold at an average of almost 7 cents per pound. As will be seen by the figures, the average price is increasing. This increase is due to the fact that there is more good tobacco and less primings offered for sale. Altogether tobacco is not bringing as much as it did last fall at this time, still it is bringing a fairly good price.—Winston Journal, 21st.

Inactive Market.

Statistics received by Register of Deeds W. C. Slate indicate an exceptional crop of old bachelors. They need tumbling out badly. Judging from the appearance of some of them, suckers have been at work, while damage from worms is also apparent. Many are cured. No primings are seen. The price is very low.
