

ECHOES FROM THE PRIMARY

Very Light Vote Cast—Spruill's Majority 556 Over All Opponents—Lee Beats Avery Near 400—Haymore Wins Slightly In Stokes But Loses In Surry—Irregularities At Several Precincts.

The primary passed off very quietly, with an exceedingly light vote. Spruill for Solicitor carried Stokes by 565 over all his opponents. Cox received only two votes in the county, Austin 4; Albertson 3. Lee for Corporation Commissioner received 443 votes, while Avery got only 61. At several of the precincts in the eastern section of the county voters thought Avery was A. D. Ivie, of Leaksville, and voted for Avery, thinking him Ivie. At West Sandy Ridge Lee received all the Democratic votes cast, 23, but the registrar in making out the returns erroneously gave Avery 23 and Lee nothing.

According to affidavits made here by member of the Board of Elections Odell Jones and Register of Deeds Wall, eight of the precinct returns were not sworn to which leads S. O. McGuire, of Surry, the defeated Republican candidate for the Senate, from Stokes and Surry, to contest the nomination of R. L. Haymore, who carried Stokes by some 198 majority. McGuire carried Surry by about 195 votes, but was defeated by the three or four majority of Haymore in Stokes.

This proposed district lies in both Stokes and Forsyth counties. L. M. McKenzie was named as registrar for the election and C. M. Hauser and J. T. Westmoreland are judges. The registration books will open 20 days before the date of the election, which will be on June 17th.

The money to be used in the erection of the school buildings mentioned above is a part of that loaned the county by the State. The districts in which the school buildings are to be erected will be taxed to pay the funds back to the State, payments to be extended over a long period.

Allen, Sam McDonald and Claude Weatherspoon were arrested on the Norfolk & Western train near Walnut Cove Friday by Deputy Sheriff Crutchfield, of Walkertown, on the charge of transporting whiskey and having whiskey in their possession for sale. It is presumed that the men will be brought to Stokes for trial as they were captured in Stokes.

McGUIRE TO CONTEST HAYMORE

Irregularities In Stokes Precincts Leads Loser In Senatorial Primary To Take Legal Action—Returns From Eight Precincts Unsworn.

S. O. McGuire will contest the nomination of R. L. Raymore for the Senate in this district. McGuire, accompanied by Sheriff Ashby, of Surry, was here today securing affidavits regarding irregularities in the Stokes primary. N. Earl Wall, Register of Deeds of Stokes, and Odell Jones, member of the Stokes Board of Elections, made affidavits that eight precincts, to-wit: Lawsonville, Boyles, Wilson's Store, Moir, Frans, Flinty Knoll, East Sandy Ridge, and West Sandy Ridge, sent in returns unsworn to while up to this time the returns from Tilley's precinct have not been received at all. All of which is contrary to law, and against the peace and dignity of the State. Whereupon, Mr. McGuire, whose nomination hinges upon three or four votes, declares he will take action to have the irregular returns thrown out on the ground of possible fraud.

McGuire has retained Attorney J. W. Hall to represent his interests here in the matter.

STOKES OFFICERS MAKE BIG HAUL

Man Giving His Name As Johnson Is Captured Near Pine Hall With Ford Car Containing 79 Gallons Whiskey.

On the road between Dillard and Pine Hall this afternoon Sheriff Turpin and Deputy W. F. Fagg captured a young white man giving his name as Will Johnson, of Henry county, Va., who was driving a practically new Ford touring car with seventy-nine gallons of whiskey on it.

The officers were traveling in the direction of Dillard when they met Johnson going in the opposite direction. It was suspected that he had booze on the car and the officers turned around and followed him, overtaking the car just before it got to Pine Hall.

The man and whiskey were placed in the county jail here and the car is being held and will probably be sold. Johnson's bond was fixed by Justice N. A. Martin at \$1,000. He states that he will likely be able to furnish bond as soon as he can confer with parties in Winston-Salem.

The whiskey seized is nearly all in new 1-gallon tin cans and at present retail prices is said to be worth near \$800.00. It was not learned what disposition would be made of the whiskey.

Large Attendance For Summer School Likely

Mr. Carson states that there will be three and possibly four teachers in addition to himself. The names of the teachers will be announced within the next few days.
